

As you may know, my service in the United States Senate will shortly be coming to an end.

Currently, my staff is in the process of ramping down prior to that transition. In order to ensure continued aid to you and our fellow Illinoisans, I encourage you to reach out to other Illinois federally elected officials for any help you may need regarding federal services or legislative issues before the Congress.

For more information about your federally elected officials, I have dedicated space on my website, <http://www.burris.senate.gov>, as a resource for you to contact them with any potential casework or any legislative concerns. Additionally, you can call my office at (202)-224-2854 to inform my staff of your thoughts and opinions.

These past two years serving the people of Illinois have been the honor of my lifetime, and I thank you for the opportunity to once again serve the state I love so much. I have treasured every moment of my time representing you in Washington.

Once again, I thank you for your correspondence and for the honor of allowing me to serve you.

Sincerely,

Roland W. Burris
United States Senator
