Under section 254(j) of the Balanced Budget and Emergency Deficit Control Act of 1985 (2 U.S.C. 904(j)), the Congressional Budget Office must notify the Congress in the event of an economic slowdown. The section reads in part:

This letter serves to notify the Congress that on January 30, 2002, the Department of Commerce's advance report on the growth of real gross national product during the fourth calendar quarter of 2001 indicated that growth was less than 1.0 percent during that quarter and the preceding quarter.

Sincerely,
