5                   “(A) IN GENERAL.—Except as provided in  
6           subparagraph (B), for child health assistance  
7           furnished after the date of the enactment of  
8           this paragraph, no payment shall be made  
9           under this section for any expenditures for pro-  
10          viding child health assistance or health benefits  
11          coverage for a targeted low-income child whose  
12          effective family income would exceed 300 per-  
13          cent of the poverty line but for the application  
14          of a general exclusion of a block of income that

17                   “(B) EXCEPTION.—Subparagraph (A)

21          an approved State plan amendment or waiver to

23          graph under the State child health plan.”.

24          (b) RULE OF CONSTRUCTION.—Nothing in the

3           (2) changing the flexibility provided States  
4           under such title to establish the income eligibility  
5           level for targeted low-income children under a State  
6           child health plan and the methodologies used by the  
7           State to determine income or assets under such  
8           plan.

9   **SEC. 115. STATE AUTHORITY UNDER MEDICAID.**

10       (a) STATE AUTHORITY TO EXPAND INCOME OR RE-  
11       SOURCE ELIGIBILITY LEVELS FOR CHILDREN.—Nothing  
12       in this Act, the amendments made by this Act, or title  
13       XIX of the Social Security Act, including paragraph  
14       (2)(B) of section 1905(u) of such Act, shall be construed  
15       as limiting the flexibility afforded States under such title  
16       to increase the income or resource eligibility levels for chil-  
17       dren under a State plan or waiver under such title.

18       (b) STATE AUTHORITY TO RECEIVE PAYMENTS  
19       UNDER MEDICAID FOR PROVIDING MEDICAL ASSISTANCE  
20       TO CHILDREN ELIGIBLE AS A RESULT OF AN INCOME OR  
21       RESOURCE ELIGIBILITY LEVEL EXPANSION.—A State  
22       may, notwithstanding the fourth sentence of subsection  
23       (b) of section 1905 of the Social Security Act (42 U.S.C.  
24       1396d) or subsection (u) of such section—

5           title XIX of the Social Security Act; or

6           (2) receive Federal financial participation for  
7           expenditures for medical assistance under Medicaid  
8           for children described in paragraph (2)(B) or (3) of  
9           section 1905(u) of such Act based on the Federal  
10          medical assistance percentage, as otherwise deter-  
11          mined based on the first and third sentences of sub-  
12          section (b) of section 1905 of the Social Security  
13          Act, rather than on the basis of an enhanced FMAP  
14          (as defined in section 2105(b) of such Act).

15 **SEC. 116. PREVENTING SUBSTITUTION OF CHIP COVERAGE**

16                                   **FOR PRIVATE COVERAGE.**

17           (a) FINDINGS.—

18           (1) Congress agrees with the President that  
19           low-income children should be the first priority of all  
20           States in providing child health assistance under  
21           CHIP.

22           (2) Congress agrees with the President and the  
23           Congressional Budget Office that the substitution of  
24           CHIP coverage for private coverage occurs more fre-

1       quently for children in families at higher income lev-  
2       els.

3           (3) Congress agrees with the President that it  
4       is appropriate that States that expand CHIP eligi-  
5       bility to children at higher income levels should have  
6       achieved a high level of health benefits coverage for  
7       low-income children and should implement strategies  
8       to address such substitution.

9           (4) Congress concludes that the policies speci-  
10      fied in this section (and the amendments made by  
11      this section) are the appropriate policies to address  
12      these issues.

13      (b) ANALYSES OF BEST PRACTICES AND METHOD-  
14      OLOGY IN ADDRESSING CROWD-OUT.—

15           (1) GAO REPORT.—Not later than 18 months  
16      after the date of the enactment of this Act, the  
17      Comptroller General of the United States shall sub-  
18      mit to the Committee on Finance of the Senate and  
19      the Committee on Energy and Commerce of the  
20      House of Representatives and the Secretary a report  
21      describing the best practices by States in addressing  
22      the issue of CHIP crowd-out. Such report shall in-  
23      clude analyses of—

1 (A) the impact of different geographic  
2 areas, including urban and rural areas, on  
3 CHIP crowd-out;

4 (B) the impact of different State labor  
5 markets on CHIP crowd-out;

6 (C) the impact of different strategies for  
7 addressing CHIP crowd-out;

8 (D) the incidence of crowd-out for children  
9 with different levels of family income; and

10 (E) the relationship (if any) between  
11 changes in the availability and affordability of  
12 dependent coverage under employer-sponsored  
13 health insurance and CHIP crowd-out.

14 (2) IOM REPORT ON METHODOLOGY.—The  
15 Secretary shall enter into an arrangement with the  
16 Institute of Medicine under which the Institute sub-  
17 mits to the Committee on Finance of the Senate and  
18 the Committee on Energy and Commerce of the  
19 House of Representatives and the Secretary, not  
20 later than 18 months after the date of the enact-  
21 ment of this Act, a report on—

22 (A) the most accurate, reliable, and timely  
23 way to measure—

24 (i) on a State-by-State basis, the rate  
25 of public and private health benefits cov-

1 erage among low-income children with  
2 family income that does not exceed 200  
3 percent of the poverty line; and

4 (ii) CHIP crowd-out, including in the  
5 case of children with family income that  
6 exceeds 200 percent of the poverty line;  
7 and

8 (B) the least burdensome way to gather  
9 the necessary data to conduct the measure-  
10 ments described in subparagraph (A).

11 Out of any money in the Treasury not otherwise ap-  
12 propriated, there are hereby appropriated  
13 \$2,000,000 to carry out this paragraph for the pe-  
14 riod ending September 30, 2009.

15 (3) INCORPORATION OF DEFINITIONS.—In this  
16 section, the terms “CHIP crowd-out”, “children”,  
17 “poverty line”, and “State” have the meanings given  
18 such terms for purposes of CHIP.

19 (4) DEFINITION OF CHIP CROWD-OUT.—Section  
20 2110(e) (42 U.S.C. 1397jj(e)) is amended by adding  
21 at the end the following:

22 “(9) CHIP CROWD-OUT.—The term ‘CHIP  
23 crowd-out’ means the substitution of—

24 “(A) health benefits coverage for a child  
25 under this title, for

1                   “(B) health benefits coverage for the child  
2                   other than under this title or title XIX.”.

3           (c) DEVELOPMENT OF BEST PRACTICE REC-  
4 OMMENDATIONS.—Section 2107 (42 U.S.C. 1397gg) is  
5 amended by adding at the end the following:

6           “(g) DEVELOPMENT OF BEST PRACTICE REC-  
7 OMMENDATIONS.—Within 6 months after the date of re-  
8 ceipt of the reports under subsections (a) and (b) of sec-  
9 tion 116 of the Children’s Health Insurance Program Re-  
10 authorization Act of 2007, the Secretary, in consultation  
11 with States, including Medicaid and CHIP directors in  
12 States, shall publish in the Federal Register, and post on  
13 the public website for the Department of Health and  
14 Human Services—

15                   “(1) recommendations regarding best practices  
16                   for States to use to address CHIP crowd-out; and

17                   “(2) uniform standards for data collection by  
18                   States to measure and report—

19                   “(A) health benefits coverage for children  
20                   with family income below 200 percent of the  
21                   poverty line; and

22                   “(B) on CHIP crowd-out, including for  
23                   children with family income that exceeds 200  
24                   percent of the poverty line.

1 The Secretary, in consultation with States, including Med-  
2 icaid and CHIP directors in States, may from time to time  
3 update the best practice recommendations and uniform  
4 standards set published under paragraphs (1) and (2) and  
5 shall provide for publication and posting of such updated  
6 recommendations and standards.”.

7 (d) REQUIREMENT TO ADDRESS CHIP CROWD-OUT;  
8 SECRETARIAL REVIEW.—Section 2106 (42 U.S.C. 1397ff)  
9 is amended by adding at the end the following:

10 “(f) REQUIREMENT TO ADDRESS CHIP CROWD-  
11 OUT; SECRETARIAL REVIEW.—

12 “(1) IN GENERAL.—Not later than 6 months  
13 after the best practice application date described in  
14 paragraph (2), each State that has a State child  
15 health plan shall submit to the Secretary a State  
16 plan amendment describing how the State—

17 “(A) will address CHIP crowd-out; and

18 “(B) will incorporate recommended best  
19 practices referred to in such paragraph.

20 “(2) BEST PRACTICE APPLICATION DATE.—The  
21 best practice application date described in this para-  
22 graph is the date that is 6 months after the date of  
23 publication of recommendations regarding best prac-  
24 tices under section 2107(g)(1).

1           “(3) SECRETARIAL REVIEW.—The Secretary  
2 shall—

3           “(A) review each State plan amendment  
4 submitted under paragraph (1);

5           “(B) determine whether the amendment

7 ferred to in paragraph (2);

8           “(C) in the case of a higher income eligi-  
9 bility State (as defined in section  
10 2105(c)(9)(B)), determine whether the State  
11 meets the enrollment targets required under  
12 reference section 2105(c)(9)(C); and

13           “(D) notify the State of such determina-  
14 tions.”.

15       (e) LIMITATION ON PAYMENTS FOR STATES COV-  
16 ERING HIGHER INCOME CHILDREN.—

17           (1) IN GENERAL.—Section 2105(e) (42 U.S.C.  
18 1397ee(c)), as amended by section 114(a), is amend-  
19 ed by adding at the end the following new sub-  
20 section:

21           “(9) LIMITATION ON PAYMENTS FOR STATES  
22 COVERING HIGHER INCOME CHILDREN.—

23           “(A) DETERMINATIONS.—

24           “(i) IN GENERAL.—The Secretary  
25 shall determine, for each State that is a

1 higher income eligibility State as of April  
2 1 of 2010 and each subsequent year,  
3 whether the State meets the target rate of  
4 coverage of low-income children required  
5 under subparagraph (C) and shall notify  
6 the State in that month of such determina-  
7 tion.

8 “(ii) DETERMINATION OF FAILURE.—  
9 If the Secretary determines in such month  
10 that a higher income eligibility State does  
11 not meet such target rate of coverage, sub-  
12 ject to subparagraph (E), no payment shall  
13 be made as of October 1 of such year on  
14 or after October 1, 2010, under this sec-  
15 tion for child health assistance provided for  
16 higher-income children (as defined in sub-  
17 paragraph (D)) under the State child  
18 health plan unless and until the State es-  
19 tablishes it is in compliance with such re-  
20 quirement.

21 “(B) HIGHER INCOME ELIGIBILITY  
22 STATE.—A higher income eligibility State de-  
23 scribed in this clause is a State that—

24 “(i) applies under its State child  
25 health plan an eligibility income standard

1 for targeted low-income children that ex-  
2 ceeds 300 percent of the poverty line; or

3 “(ii) because of the application of a  
4 general exclusion of a block of income that  
5 is not determined by type of expense or  
6 type of income, applies an effective income  
7 standard under the State child health plan  
8 for such children that exceeds 300 percent  
9 of the poverty line.

10 “(C) REQUIREMENT FOR TARGET RATE OF  
11 COVERAGE OF LOW-INCOME CHILDREN.—

12 “(i) IN GENERAL.—The requirement  
13 of this subparagraph for a State is that  
14 the rate of health benefits coverage (both  
15 private and public) for low-income children  
16 in the State is not statistically significantly  
17 (at a  $p=0.05$  level) less than the target  
18 rate of coverage specified in clause (ii).

19 “(ii) TARGET RATE.—The target rate  
20 of coverage specified in this clause is the  
21 average rate (determined by the Secretary)  
22 of health benefits coverage (both private  
23 and public) as of January 1, 2010, among  
24 the 10 of the 50 States and the District of  
25 Columbia with the highest percentage of

1 health benefits coverage (both private and  
2 public) for low-income children.

3 “(iii) STANDARDS FOR DATA.—In ap-  
4 plying this subparagraph, rates of health  
5 benefits coverage for States shall be deter-  
6 mined using the uniform standards identi-  
7 fied by the Secretary under section  
8 2107(g)(2).

9 “(D) HIGHER-INCOME CHILD.—For pur-  
10 poses of this paragraph, the term ‘higher in-  
11 come child’ means, with respect to a State child  
12 health plan, a targeted low-income child whose  
13 family income—

14 “(i) exceeds 300 percent of the pov-  
15 erty line; or

16 “(ii) would exceed 300 percent of the  
17 poverty line if there were not taken into  
18 account any general exclusion described in  
19 subparagraph (B)(ii).

20 “(E) NOTICE AND OPPORTUNITY TO COM-  
21 PLY WITH TARGET RATE.—If the Secretary  
22 makes a determination described in subpara-  
23 graph (A)(ii) in April of a year, the Secretary—

24 “(i) shall provide the State with the  
25 opportunity to submit and implement a

1           corrective action plan for the State to come  
2           into compliance with the requirement of  
3           subparagraph (C) before October 1 of such  
4           year;

5           “(ii) shall not effect a denial of pay-  
6           ment under subparagraph (A) on the basis  
7           of such determination before October 1 of  
8           such year; and

9           “(iii) shall not effect such a denial if  
10          the Secretary determines that there is a  
11          reasonable likelihood that the implementa-  
12          tion of such a correction action plan will  
13          bring the State into compliance with the  
14          requirement of subparagraph (C).”.

15          (2) CONSTRUCTION.—Nothing in the amend-  
16          ment made by paragraph (1) or this section this  
17          shall be construed as authorizing the Secretary of  
18          Health and Human Services to limit payments  
19          under title XXI of the Social Security Act in the  
20          case of a State that is not a higher income eligibility  
21          State (as defined in section 2105(c)(9)(B) of such  
22          Act, as added by paragraph (1)).

23          (f) TREATMENT OF MEDICAL SUPPORT ORDERS.—  
24          Section 2102(b) (42 U.S.C. 1397bb(e)) is amended by  
25          adding at the end the following:

1           “(5) TREATMENT OF MEDICAL SUPPORT OR-  
2           DERS.—

3           “(A) IN GENERAL.—Nothing in this title  
4           shall be construed to allow the Secretary to re-  
5           quire that a State deny eligibility for child  
6           health assistance to a child who is otherwise eli-  
7           gible on the basis of the existence of a valid  
8           medical support order being in effect.

9           “(B) STATE ELECTION.—A State may  
10          elect to limit eligibility for child health assist-  
11          ance to a targeted low-income child on the basis  
12          of the existence of a valid medical support order  
13          on the child’s behalf, but only if the State does  
14          not deny such eligibility for a child on such  
15          basis if the child asserts that the order is not  
16          being complied with for any of the reasons de-  
17          scribed in subparagraph (C) unless the State  
18          demonstrates that none of such reasons applies  
19          in the case involved.

20          “(C) REASONS FOR NONCOMPLIANCE.—  
21          The reasons described in this subparagraph for  
22          noncompliance with a medical support order  
23          with respect to a child are that the child is not  
24          being provided health benefits coverage pursu-  
25          ant to such order because—

1                   “(i) of failure of the noncustodial par-  
2                   ent to comply with the order;

3                   “(ii) of the failure of an employer,  
4                   group health plan or health insurance  
5                   issuer to comply with such order; or

6                   “(iii) the child resides in a geographic  
7                   area in which benefits under the health  
8                   benefits coverage are generally unavail-  
9                   able.”.

10           (g) EFFECTIVE DATE OF AMENDMENTS; CONSIST-  
11   ENCY OF POLICIES.—The amendments made by this sec-  
12   tion shall take effect as if enacted on August 16, 2007.  
13   The Secretary may not impose (or continue in effect) any  
14   requirement, prevent the implementation of any provision,  
15   or condition the approval of any provision under any State  
16   child health plan, State plan amendment, or waiver re-  
17   quest on the basis of any policy or interpretation relating  
18   to CHIP crowd-out, coordination with other sources of  
19   coverage, target rate of coverage, or medical support order  
20   other than under the amendments made by this section.  
21   In the case of a State plan amendment which was denied  
22   on or after August 16, 2007, on the basis of any such  
23   policy or interpretation in effect before the date of the en-  
24   actment of this Act, if the State submits a modification  
25   of such State plan amendment that complies with title

1 XXI of the Social Security Act as amended by this Act,  
 2 such submitted State plan amendment, as so modified,  
 3 shall be considered as if it had been submitted (as so modi-  
 4 fied) as of the date of its original submission, but such  
 5 State plan amendment shall not be effective before the  
 6 date of the enactment of this Act and the exception de-  
 7 scribed in subparagraph (B) of section 2105(c)(8) of the  
 8 Social Security Act, as added by section 114(a), shall not  
 9 apply to such State plan amendment.

23           on an Express Lane agency’s finding of  
24           such child’s income level, the State shall

18 “(i) IN GENERAL.—With respect to a child  
19 whose eligibility for medical assistance under

14 in the State plan) of any differences be-  
15 tween income methodologies used by the  
16 program administered by the Express Lane  
17 agency and the methodologies used by the  
18 State in determining eligibility for medical  
19 assistance under this title.

20           “(II) CHILDREN WITH INCOME NOT  
21 ABOVE THRESHOLD.—If the income of a  
22 child does not exceed the screening thresh-  
23 old, the child is deemed to satisfy the in-

25 ance under this title regardless of whether

1 such child would otherwise satisfy such cri-  
2 teria.

3 “(III) CHILDREN WITH INCOME  
4 ABOVE THRESHOLD.—If the income of a  
5 child exceeds the screening threshold, the  
6 child shall be considered to have an income

8 described in section 2110(b)(4) and to sat-  
9 isfy the requirement under section  
10 2110(b)(1)(C) (relating to the requirement  
11 that CHIP matching funds be used only  
12 for children not eligible for Medicaid). If

23 which a parent, guardian, or custodial  
24 relative can request that the State  
25 evaluate the child’s eligibility for med-

1           ical assistance under this title using  
2           such regular procedures.

3                   “(bb) A description of differences  
4           between the medical assistance pro-  
5           vided under this title and child health  
6           assistance under title XXI, including  
7           differences in cost-sharing require-  
8           ments and covered benefits.

9                   “(iii) TEMPORARY ENROLLMENT IN CHIP  
10           PENDING SCREEN AND ENROLL.—

12           a State enrolls a child in child health as-  
13           sistance under title XXI for a temporary

15           assistance based on an income finding by  
16           an Express Lane agency.

17                   “(II) DETERMINATION OF ELIGI-  
18           BILITY.—During such temporary enroll-

22           under this title in accordance with this  
23           clause.

24                   “(III) PROMPT FOLLOW UP.—In mak-

4 sistance under title XXI pursuant to sub-  
5 paragraphs (A) and (B) of section  
6 2102(b)(3) (relating to screen and enroll).

7 “(IV) REQUIREMENT FOR SIMPLIFIED  
8 DETERMINATION.—In making such a de-  
9 termination, the State shall use procedures  
10 that, to the maximum feasible extent, re-  
11 duce the burden imposed on the individual  
12 of such determination. Such procedures  
13 may not require the child’s parent, guard-  
14 ian, or custodial relative to provide or  
15 verify information that already has been  
16 provided to the State agency by an Ex-  
17 press Lane agency or another source of in-  
18 formation unless the State agency has rea-  
19 son to believe the information is erroneous.

20 “(V) AVAILABILITY OF CHIP MATCH-  
21 ING FUNDS DURING TEMPORARY ENROLL-  
22 MENT PERIOD.—Medical assistance for  
23 items and services that are provided to a  
24 child enrolled in title XXI during a tem-  
25 porary enrollment period under this clause

1           shall be treated as child health assistance  
2           under such title.

3           “(D) OPTION FOR AUTOMATIC ENROLLMENT.—

4           “(i) IN GENERAL.—The State may initiate  
5           and determine eligibility for medical assistance  
6           under the State Medicaid plan or for child  
7           health assistance under the State CHIP plan  
8           without a program application from, or on be-  
9           half of, the child based on data obtained from

23 required for enrollment only of the em-  
24 ployee under qualified employer-sponsored  
25 coverage and the employee contribution re-

1           required for enrollment of the employee and  
2           the child in such coverage, less any appli-  
3           cable premium cost-sharing applied under  
4           the State child health plan (subject to the

9           and the child in such coverage toward the  
10          annual aggregate cost-sharing limit applied  
11          under paragraph (3)(B) of such section).

12           “(ii) STATE PAYMENT OPTION.—A  
13          State may provide a premium assistance  
14          subsidy either as reimbursement to an em-

22          ployee. In the event of such a notification,  
23          an employer shall withhold the total  
24          amount of the employee contribution re-  
25          quired for enrollment of the employee and

1 the child in the qualified employer-spon-

3 premium assistance subsidy directly to the  
4 employee.

5 “(iv) TREATMENT AS CHILD HEALTH  
6 ASSISTANCE.—Expenditures for the provi-

6 sponsored coverage; and

7 “(II) cost-sharing protection con-  
8 sistent with section 2103(e).

9 “(ii) RECORD KEEPING REQUIRE-  
10 MENTS.—For purposes of carrying out  
11 clause (i), a State may elect to directly pay  
12 out-of-pocket expenditures for cost-sharing

14 sored coverage and collect or not collect all  
15 or any portion of such expenditures from  
16 the parent of the child.

17 “(F) APPLICATION OF WAITING PERIOD

22 plan shall apply to the same extent to the provi-  
23 sion of a premium assistance subsidy for the  
24 child under this paragraph.

1           “(G) OPT-OUT PERMITTED FOR ANY  
2 MONTH.—A State shall establish a process for

7 receive child health assistance under, the State  
8 child health plan, effective on the first day of  
9 any month for which the child is eligible for  
10 such assistance and in a manner that ensures  
11 continuity of coverage for the child.

12           “(H) APPLICATION TO PARENTS.—If a  
13 State provides child health assistance or health  
14 benefits coverage to parents of a targeted low-  
15 income child in accordance with section  
16 2111(b), the State may elect to offer a pre-  
17 mium assistance subsidy to a parent of a tar-  
18 geted low-income child who is eligible for such  
19 a subsidy under this paragraph in the same  
20 manner as the State offers such a subsidy for  
21 the enrollment of the child in qualified em-  
22 ployer-sponsored coverage, except that—

23                   “(i) the amount of the premium as-  
24                   sistance subsidy shall be increased to take  
25                   into account the cost of the enrollment of

1 the parent in the qualified employer-spon-

5 child's family in such coverage; and

6 “(ii) any reference in this paragraph  
7 to a child is deemed to include a reference  
8 to the parent or, if applicable under clause  
9 (i), the family of the child.

10 “(I) ADDITIONAL STATE OPTION FOR PRO-  
11 VIDING PREMIUM ASSISTANCE.—

12 “(i) IN GENERAL.—A State may es-  
13 tablish an employer-family premium assist-  
14 ance purchasing pool for employers with  
15 less than 250 employees who have at least  
16 1 employee who is a pregnant woman eligi-

18 health plan (including through the applica-  
19 tion of an option described in section  
20 2112(f)) or a member of a family with at  
21 least 1 targeted low-income child and to  
22 provide a premium assistance subsidy  
23 under this paragraph for enrollment in  
24 coverage made available through such pool.

1           “(ii) ACCESS TO CHOICE OF COV-

10 section 2103(a)(2) for employees described  
11 in clause (i).

12           “(iii) CLARIFICATION OF PAYMENT  
13 FOR ADMINISTRATIVE EXPENDITURES.—  
14 Nothing in this subparagraph shall be con-  
15 strued as permitting payment under this  
16 section for administrative expenditures at-  
17 tributable to the establishment or oper-  
18 ation of such pool, except to the extent  
19 that such payment would otherwise be per-  
20 mitted under this title.

21           “(J) NO EFFECT ON PREMIUM ASSISTANCE  
22 WAIVER PROGRAMS.—Nothing in this para-  
23 graph shall be construed as limiting the author-  
24 ity of a State to offer premium assistance under  
25 section 1906 or 1906A, a waiver described in

1 paragraph (2)(B) or (3), a waiver approved  
2 under section 1115, or other authority in effect  
3 prior to the date of enactment of the Children’s  
4 Health Insurance Program Reauthorization Act  
5 of 2007.

6 “(K) NOTICE OF AVAILABILITY.—If a  
7 State elects to provide premium assistance sub-  
8 sidies in accordance with this paragraph, the  
9 State shall—

10 “(i) include on any application or en-  
11 rollment form for child health assistance a

13 ance subsidies for the enrollment of tar-

1           under the State child health plan or  
2           through the receipt of premium assistance  
3           subsidies.

4           “(L) APPLICATION TO QUALIFIED EM-  
5           PLOYER-SPONSORED BENCHMARK COVERAGE.—  
6           If a group health plan or health insurance cov-  
7           erage offered through an employer is certified  
8           by an actuary as health benefits coverage that  
9           is equivalent to the benefits coverage in a  
10          benchmark benefit package described in section  
11          2103(b) or benchmark-equivalent coverage that  
12          meets the requirements of section 2103(a)(2),  
13          the State may provide premium assistance sub-  
14          sidies for enrollment of targeted low-income  
15          children in such group health plan or health in-  
16          surance coverage in the same manner as such  
17          subsidies are provided under this paragraph for  
18          enrollment in qualified employer-sponsored cov-  
19          erage, but without regard to the requirement to  
20          provide supplemental coverage for benefits and  
21          cost-sharing protection provided under the

23          (E).

24          “(M) SATISFACTION OF COST-EFFECTIVE-  
25          NESS TEST.—Premium assistance subsidies for

1 qualified employer-sponsored coverage offered  
2 under this paragraph shall be deemed to meet  
3 the requirement of subparagraph (A) of para-

5 “(N) COORDINATION WITH MEDICAID.—In  
6 the case of a targeted low-income child who re-  
7 ceives child health assistance through a State  
8 plan under title XIX and who voluntarily elects  
9 to receive a premium assistance subsidy under  
10 this section, the provisions of section 1906A  
11 shall apply and shall supersede any other provi-  
12 sions of this paragraph that are inconsistent  
13 with such section.”.

14 (2) DETERMINATION OF COST-EFFECTIVENESS  
15 FOR PREMIUM ASSISTANCE OR PURCHASE OF FAM-  
16 ILY COVERAGE.—

17 (A) IN GENERAL.—Section 2105(c)(3)(A)  
18 (42 U.S.C. 1397ee(c)(3)(A)) is amended by  
19 striking “relative to” and all that follows  
20 through the comma and inserting “relative to

21 “(i) the amount of expenditures under  
22 the State child health plan, including ad-  
23 ministrative expenditures, that the State  
24 would have made to provide comparable  
25 coverage of the targeted low-income child

1 involved or the family involved (as applica-  
2 ble); or

3 “(ii) the aggregate amount of expendi-  
4 tures that the State would have made

6 ing administrative expenditures, for pro-  
7 viding coverage under such plan for all  
8 such children or families.”.

9 (B) NONAPPLICATION TO PREVIOUSLY AP-  
10 PROVED COVERAGE.—The amendment made by  
11 subparagraph (A) shall not apply to coverage  
12 the purchase of which has been approved by the  
13 Secretary under section 2105(c)(3) of the Social  
14 Security Act prior to the date of enactment of  
15 this Act.

16 (b) MEDICAID.—Title XIX is amended by inserting  
17 after section 1906 the following new section:

18 “PREMIUM ASSISTANCE OPTION FOR CHILDREN  
19 “SEC. 1906A. (a) IN GENERAL.—A State may elect  
20 to offer a premium assistance subsidy (as defined in sub-  
21 section (c)) for qualified employer-sponsored coverage (as  
22 defined in subsection (b)) to all individuals under age 19  
23 who are entitled to medical assistance under this title (and  
24 to the parent of such an individual) who have access to  
25 such coverage if the State meets the requirements of this  
26 section.

1       “(b) QUALIFIED EMPLOYER-SPONSORED COV-  
2 ERAGE.—

3           “(1) IN GENERAL.—Subject to paragraph (2)),  
4       in this paragraph, the term ‘qualified employer-spon-  
5       sored coverage’ means a group health plan or health  
6       insurance coverage offered through an employer—

7           “(A) that qualifies as creditable coverage  
8       as a group health plan under section 2701(c)(1)  
9       of the Public Health Service Act;

10          “(B) for which the employer contribution  
11       toward any premium for such coverage is at  
12       least 40 percent; and

13          “(C) that is offered to all individuals in a  
14       manner that would be considered a nondiscrim-  
15       inatory eligibility classification for purposes of  
16       paragraph (3)(A)(ii) of section 105(h) of the  
17       Internal Revenue Code of 1986 (but determined  
18       without regard to clause (i) of subparagraph  
19       (B) of such paragraph).

20          “(2) EXCEPTION.—Such term does not include  
21       coverage consisting of—

22           “(A) benefits provided under a health flexi-  
23       ble spending arrangement (as defined in section  
24       106(c)(2) of the Internal Revenue Code of  
25       1986); or

1           “(B) a high deductible health plan (as de-  
2           fined in section 223(c)(2) of such Code), with-  
3           out regard to whether the plan is purchased in  
4           conjunction with a health savings account (as  
5           defined under section 223(d) of such Code).

6           “(3) TREATMENT AS THIRD PARTY LIABIL-  
7           ITY.—The State shall treat the coverage provided  
8           under qualified employer-sponsored coverage as a  
9           third party liability under section 1902(a)(25).

10          “(c) PREMIUM ASSISTANCE SUBSIDY.—In this sec-  
11          tion, the term ‘premium assistance subsidy’ means the  
12          amount of the employee contribution for enrollment in the  
13          qualified employer-sponsored coverage by the individual  
14          under age 19 or by the individual’s family. Premium as-  
15          sistance subsidies under this section shall be considered,  
16          for purposes of section 1903(a), to be a payment for med-  
17          ical assistance.

18          “(d) VOLUNTARY PARTICIPATION.—

19                 “(1) EMPLOYERS.—Participation by an em-  
20                 ployer in a premium assistance subsidy offered by a  
21                 State under this section shall be voluntary. An em-  
22                 ployer may notify a State that it elects to opt-out of  
23                 being directly paid a premium assistance subsidy on  
24                 behalf of an employee.

1           “(2) BENEFICIARIES.—No subsidy shall be pro-  
2           vided to an individual under age 19 under this sec-  
3           tion unless the individual (or the individual’s parent)  
4           voluntarily elects to receive such a subsidy. A State  
5           may not require such an election as a condition of  
6           receipt of medical assistance. State may not require,  
7           as a condition of an individual under age 19 (or the  
8           individual’s parent) being or remaining eligible for  
9           medical assistance under this title, apply for enroll-  
10          ment in qualified employer-sponsored coverage under  
11          this section.

12           “(3) OPT-OUT PERMITTED FOR ANY MONTH.—  
13          A State shall establish a process for permitting the  
14          parent of an individual under age 19 receiving a pre-  
15          mium assistance subsidy to disenroll the individual  
16          from the qualified employer-sponsored coverage.

17          “(e) REQUIREMENT TO PAY PREMIUMS AND COST-  
18          SHARING AND PROVIDE SUPPLEMENTAL COVERAGE.—In  
19          the case of the participation of an individual under age  
20          19 (or the individual’s parent) in a premium assistance  
21          subsidy under this section for qualified employer-spon-  
22          sored coverage, the State shall provide for payment of all  
23          enrollee premiums for enrollment in such coverage and all  
24          deductibles, coinsurance, and other cost-sharing obliga-  
25          tions for items and services otherwise covered under the

1 State plan under this title (exceeding the amount other-  
2 wise permitted under section 1916 or, if applicable, section  
3 1916A). The fact that an individual under age 19 (or a  
4 parent) elects to enroll in qualified employer-sponsored  
5 coverage under this section shall not change the individ-  
6 ual's (or parent's) eligibility for medical assistance under  
7 the State plan, except insofar as section 1902(a)(25) pro-  
8 vides that payments for such assistance shall first be made  
9 under such coverage.”.

10 (c) GAO STUDY AND REPORT.—Not later than Janu-  
11 ary 1, 2009, the Comptroller General of the United States  
12 shall study cost and coverage issues relating to any State  
13 premium assistance programs for which Federal matching  
14 payments are made under title XIX or XXI of the Social  
15 Security Act, including under waiver authority, and shall  
16 submit a report to the Committee on Finance of the Sen-  
17 ate and the Committee on Energy and Commerce of the  
18 House of Representatives on the results of such study.

3           “(3) PREMIUM ASSISTANCE SUBSIDIES.—In the  
4 case of a State that provides for premium assistance  
5 subsidies under the State child health plan in ac-

9 for families of children likely to be eligible for such  
10 subsidies, to inform such families of the availability  
11 of, and to assist them in enrolling their children in,  
12 such subsidies, and for employers likely to provide  
13 coverage that is eligible for such subsidies, including  
14 the specific, significant resources the State intends  
15 to apply to educate employers about the availability  
16 of premium assistance subsidies under the State  
17 child health plan.”.

18           (b) NONAPPLICATION OF 10 PERCENT LIMIT ON

21 amended by section 301(c)(2), is amended by adding at  
22 the end the following new clause:

23                           “(iv) EXPENDITURES FOR OUTREACH

8 ability of, and to assist them in enrolling  
9 their children in, such subsidies, and to  
10 employers likely to provide qualified em-

12 subparagraph (B) of such paragraph), but  
13 not to exceed an amount equal to 1.25 per-

6           plan in a State that provides medical  
7           assistance under a State Medicaid  
8           plan under title XIX of the Social Se-

17          TIVE EXPENDITURES.—Section 2105(c)(2)(C) (42  
18          U.S.C. 1397ee(c)(2)C)), as amended by section  
19          302(b)), is amended by adding at the end the fol-  
20          lowing:

21                   “(iv) PAYMENT ERROR RATE MEAS-  
22                   UREMENT (PERM) EXPENDITURES.—Ex-

12 based on the application of the payment error rate meas-  
13 urement (in this section referred to as “PERM”) require-  
14 ments to CHIP until after the date that is 6 months after  
15 the date on which a final rule implementing such require-  
16 ments in accordance with the requirements of subsection  
17 (c) is in effect for all States. Any calculation of a national  
18 error rate or a State specific error rate after such final  
19 rule in effect for all States may only be inclusive of errors,  
20 as defined in such final rule or in guidance issued within  
21 a reasonable time frame after the effective date for such  
22 final rule that includes detailed guidance for the specific  
23 methodology for error determinations.

17 deadlines for States in implementing any cor-  
18 rective action plans; and

19 (2) provide that the payment error rate deter-

22 an applicant's self-declaration or self-certification of  
23 eligibility for, and the correct amount of, medical as-  
24 sistance or child health assistance, if the State proc-  
25 ess for verifying an applicant's self-declaration or

1 self-certification satisfies the requirements for such  
2 process applicable under regulations promulgated by  
3 the Secretary or otherwise approved by the Sec-  
4 retary.

5 (d) OPTION FOR APPLICATION OF DATA FOR STATES  
6 IN FIRST APPLICATION CYCLE UNDER THE INTERIM  
7 FINAL RULE.—After the final rule implementing the  
8 PERM requirements in accordance with the requirements  
9 of subsection (c) is in effect for all States, a State for  
10 which the PERM requirements were first in effect under  
11 an interim final rule for fiscal year 2007 may elect to ac-  
12 cept any payment error rate determined in whole or in  
13 part for the State on the basis of data for that fiscal year  
14 or may elect to not have any payment error rate deter-  
15 mined on the basis of such data and, instead, shall be  
16 treated as if fiscal year 2010 were the first fiscal year  
17 for which the PERM requirements apply to the State.

18 (e) HARMONIZATION OF MEQC AND PERM.—

19 (1) REDUCTION OF REDUNDANCIES.—The Sec-  
20 retary shall review the Medicaid Eligibility Quality  
21 Control (in this subsection referred to as the  
22 “MEQC”) requirements with the PERM require-  
23 ments and coordinate consistent implementation of  
24 both sets of requirements, while reducing  
25 redundancies.

1           (2) STATE OPTION TO APPLY PERM DATA.—A  
2           State may elect, for purposes of determining the er-

5           1903(u) of the Social Security Act (42 U.S.C.  
6           1396b(u)) to substitute data resulting from the ap-  
7           plication of the PERM requirements to the State  
8           after the final rule implementing such requirements  
9           is in effect for all States for data obtained from the  
10          application of the MEQC requirements to the State  
11          with respect to a fiscal year.

12          (3) STATE OPTION TO APPLY MEQC DATA.—For  
13          purposes of satisfying the requirements of subpart Q  
14          of part 431 of title 42, Code of Federal Regulations,

16          icaid eligibility reviews, a State may elect to sub-  
17          stitute data obtained through MEQC reviews con-  
18          ducted in accordance with section 1903(u) of the So-  
19          cial Security Act (42 U.S.C. 1396b(u)) for data re-  
20          quired for purposes of PERM requirements, but only  
21          if the State MEQC reviews are based on a broad,  
22          representative sample of Medicaid applicants or en-  
23          rollees in the States.

24          (f) IDENTIFICATION OF IMPROVED STATE-SPECIFIC  
25          SAMPLE SIZES.—The Secretary shall establish State-spe-

1 cific sample sizes for application of the PERM require-  
2 ments with respect to State child health plans for fiscal  
3 years beginning with fiscal year 2009, on the basis of such  
4 information as the Secretary determines appropriate. In  
5 establishing such sample sizes, the Secretary shall, to the  
6 greatest extent practicable—

7           (1) minimize the administrative cost burden on  
8           States under Medicaid and CHIP; and

9           (2) maintain State flexibility to manage such  
10          programs.

11 **SEC. 602. IMPROVING DATA COLLECTION.**

21 first available, produce more reliable estimates  
22 than the Current Population Survey with re-  
23 spect to the purposes described in subparagraph  
24 (B).

1           “(E) On the basis of the assessment re-  
2           quired under subparagraph (D), recommend to

4           whether American Community Survey estimates  
5           should be used in lieu of, or in some combina-  
6           tion with, Current Population Survey estimates  
7           for the purposes described in subparagraph (B).

8           “(F) Continue making the adjustments de-  
9           scribed in the last sentence of paragraph (1)  
10          with respect to expansion of the sample size  
11          used in State sampling units, the number of  
12          sampling units in a State, and using an appro-

12                  employed by businesses with less than 25 employees  
13                  or are self-employed.

7 year that, with appropriate protection for con-  
8 sumers, improves access to affordable and meaning-
