Constituent Services Guide

Serving Michigan's 13th Congressional District

My staff and I stand ready to assist you with concerns and challenges you may have related to federal agencies and issues.

MEDICARE AND SOCIAL SECURITY ASSISTANCE

We can assist you in determining eligibility for coverage of health care services and in resolving reimbursement issues.

We can provide information about various Social Security programs, including retirement and survivor benefits, disability, and Supplemental Security Income (SSI). We can also help you handle problems with the Social Security Administration.

VETERANS ASSISTANCE

Veterans can obtain information on health care services and resources. We can also help you determine your eligibility at VA hospitals and provide assistance with disability, retirement and survivor benefits, and interment in a national cemetery.

FLAG REQUESTS

Many Americans show their patriotism for our country by flying the American Flag. These flags are also used to commemorate the valor of our nation's veterans on Veterans Day and Memorial Day or to celebrate Independence Day. Whatever the occasion, my office can help you secure flags that have actually been flown over the U.S. Capitol and others that have not.

PASSPORTS AND VISAS

My office can provide you with passport applications. If you have an emergency situation and give us at least two weeks notice, we may be able to assist you with expediting your application.

INTERNSHIPS

Internships provide students in my district with opportunities to see how government works, to develop their leadership and communication skills, and to gain experience that will help them handle future challenges. Interested high school, college students, and recent college graduates can apply by contacting my office.

WASHINGTON TOURS

My office can help you obtain tickets for tours of the White House, U.S. Capitol, Supreme Court, and other Washington, DC landmarks. Please provide us with as much notice as possible. I hope you will also make plans to visit my office in Room 2264 of the Rayburn House Office Building.

“My most important duty in Congress is addressing the needs of my constituents.”
