Mr. Yoshimi Inaba  
President and COO  
Toyota Motor North America, Inc.  
601 13th Street, NW

Dear Mr. Inaba:

Questions were raised today about the performance of brakes in the 2010 Toyota Prius. We request that Toyota officials contact the Committee staff to schedule a briefing to address these recent reports and whether there is any relationship between the brake performance issues in 2010 Prius vehicles and the reported instances of sudden unintended acceleration alleged to have occurred in other Toyota models.

Toyota officials should contact Anne Tindall, with the Committee staff, at (202) 226-2424, to schedule a briefing on or prior to February 16, 2010.

Sincerely,

Henry A. Waxman
