Page 732, after line 17, insert the following new section and make the necessary conforming changes in the table of contents:

“SEC. 359. PREVENTING JOB LOSSES; UNITED STATES STEEL INDUSTRY.

“The Administrator, in consultation with the Secretary of Labor, shall annually prepare and certify a report to Congress setting forth the number of domestic jobs that have been lost in the steel industry in the United States since the implementation of the requirements of this title as a result of the implementation of this Title. If the Secretary determines that more than 10,000 jobs have been lost in the steel industry in the United States since the date of the enactment of this Act because of the implementation of the requirements of this title, this title shall cease to have any force and effect.”.
