

**AMENDMENT TO THE AMENDMENT IN THE  
NATURE OF A SUBSTITUTE TO H.R. 5504  
OFFERED BY MS. CHU OF CALIFORNIA**

Page 55, beginning on line 3, amend clause (ii) to read as follows:

1                   “(ii) PRIORITY.—In awarding sub-  
2                   grants under paragraph (3), a State agen-  
3                   cy shall give priority to local educational  
4                   agencies—

5                                 “(I) with qualifying schools in  
6                                 which at least 75 percent of the stu-  
7                                 dents are certified as eligible for free  
8                                 or reduced-price lunches under the  
9                                 school lunch program established  
10                                under the Richard B. Russell National  
11                                School Lunch Act (42 U.S.C. 1751 et  
12                                seq.); or

13                               “(II) with schools identified for  
14                               school improvement under section  
15                               1116 of the Elementary and Sec-  
16                               ondary Education Act of 1965 (20  
17                               U.S.C. 6316).”.
