

Estimated additional allocations to LEAs for IDEA, Part B, sec. 611 according to the H.R. 1 Conference Agreement

Notes: These are estimated grants only. These estimates are provided solely to assist in comparisons of the relative impact of alternative formulas and funding levels in the legislative process. It is ultimately the responsibility of the Department of Education and states to subgrant funds to LEAs. These estimates are not intended to predict specific amounts LEAs will receive. Details may not add to totals due to rounding.

a. IDEA: H.R. 1 provides an appropriation of \$11.3 billion for sec. 611 in addition to amounts that would be provided under a separate FY2009 appropriations measure. For these estimates, it is assumed that amounts reserved for state administration and state-level activities; and amounts required for LEA base payments come from the amount separately appropriated for FY2009. It is also assumed that no LEAs would be subject to allocations below the amounts they received for FY2008. Estimated grants were prepared using LEA population and poverty data used to calculate FY2008 Title I-A grants as a proxy for population and poverty data specified in sec. 611(f). Actual data used to subgrant funds to LEAs will differ.
