Dear Chairman Obey and Ranking Member Lewis,

I am requesting funding in the FY2010 Transportation, Housing and Urban Development, and Related Agencies for the 24<sup>th</sup> St./I-15 Interchange. The entity to receive funding is City of Ogden, 2549 Washington Blvd., Ogden, UT 84401. Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the *Congressional Record* describing how the funds will be spent and justifying the use of federal taxpayer funds.

Dear Chairman Olver and Ranking Member Latham:

I am requesting funding for I-35W Improvement Project for fiscal year 2010. The entity to receive funding for this project is the City of Fort Worth located at 1000 Throckmorton Street, Fort Worth, TX 76102. This funding will provide for the design and environmental work of the initial phase of the improvement of this section of I-35W to provide congestion and air quality relief. I certify that neither I nor my spouse has any financial interest in this project.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program named or will be named after a sitting Member of Congress (exception must be justified here); (2) is not intended for a "front" or "pass through" entity; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Currently, I have established an internal process to ensure that these minimum requirements are met and believe that my criteria for evaluating these standards far exceed these GOP Conference standards. Should you require my internal forms I require any potential grantee to complete and certify or my own personal appropriations request criteria, please contact my staff and they will make them available to your staff.

Dear Chairman Obey and Ranking Member Lewis:

I write to respectfully request funding in the Fiscal Year 2010 Transportation, Housing and Urban Development and Related Agencies Appropriations bill, Federal Transit Administration, New Starts account. The entity to receive funding for this project is Miami-Dade County, Florida, located at 111 NW 1<sup>st</sup> Street, Suite 1032, Miami, FL 33128.

It is my understanding that the funding would be used for Phases II and III of the Miami-Dade County Transit Authority's Metrorail Orange Line Expansion. Primarily, in Phase II, Miami-Dade County Department of Transit is in the final planning stage for the construction of a 9.2-mile Metrorail extension along NW 27th Avenue between the existing Dr. Martin Luther King, Jr. Metrorail station and the Broward County line. Phase III, the County's East-West Corridor Rapid Transit Project proposes to extend Metrorail some 10-13- miles from the Miami Intermodal Center to Florida International University and points west. As fewer than 48% of the County's residents live outside incorporated Miami, this Orange Line expansion project will allow for more options for commuting and travel around Miami-Dade County.

*I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of me or my spouse.*

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the *Congressional Record* describing how the funds will be spent and justifying the use of federal taxpayer funds.

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for the Broadway Bridge Replacement Project for fiscal year 2010. The entity to receive funding for this project is the City of Everett, 3200 Cedar Street, Everett, WA, 98201.

The funding would be used for construction of a new bridge to replace the 97 year old Broadway Bridge. Last year, the City of Everett discovered that the Broadway Bridge is structurally deficient. It must be replaced as soon as possible because the span is a critical access point joining the region's primary transportation corridors to Everett's Central Business District, the Port of Everett and Naval Station Everett. The bridge also crosses the BNSF rail mainline, so a collapse would have a significant impact to the region's rail infrastructure and economy.

I certify that neither I nor my spouse has any financial interest in this project.

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for **Dubuque Street Elevation and Park Road Bridge Replacement Project** in fiscal year 2010.

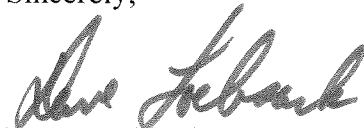

The entity to receive funding for this project is:

**City of Iowa City**  
410 E. Washington St.  
Iowa City, IA 52240

The funding would be used for **the reconstruction and elevation of Dubuque Street and Park Road Bridge in Iowa City above the 100-year flood level. Dubuque Street is the main entrance to Iowa City from Interstate 80 and carries approximately 25,500 vehicles per day. This corridor also serves as the principal access point to the Central Business District and the University of Iowa. Dubuque Street is the first street to close during a heavy rain or flood event due to the current low elevation. When this corridor is closed, access to downtown Iowa City, the University of Iowa and Hospitals, Mercy Hospital, and the Veterans Administration Hospital is compromised. The Park Road Bridge is one of five arterial street crossings of the Iowa River and intersects with Dubuque Street. During the 2008 Flood, approximately 14 inches of backwater was measured at this bridge. This backwater contributed to the flooding of upstream properties.**

Dear Chairman Obey and Ranking Member Lewis,

I am requesting funding for the Fleshman Way/State Route 129 Interchange Improvements Projects project in the FY10 Transportation-Hud Appropriations bill. The amount requested for this project is \$1,000,000. The entity to receive funding for this project is Asotin County, located at 135 2<sup>nd</sup> Street, Asotin, WA 99402.

The Fleshman Way/ State Route 129 Interchange will complete the right-of-way acquisition and project construction that enhances safety, passenger and freight mobility, and reduces congestion by implementing design that was funded under the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU). The project will result in substantial safety and mobility improvements for the regional traveling public, and resolve a bottleneck along the corridor that serves a bi-state region, regional airport and other facilities resulting in addressing concerns in the federal interests.

I hereby certify that this request will be made publically available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered. I also attest that this project does not have a direct or foreseeable effect on the financial interests of me or my spouse.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge the request: (1) is not directed to any entity or program that will be named after a sitting Member of Congress (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. Dear Chair and Ranking Member:

I am requesting funding for the **Jamaica Plaza Station Intermodal** in fiscal year 2010. The entity to receive funding for this project is **Greater Jamaica Development Corp., 90-04 161<sup>st</sup> Street, Jamaica, NY 11432.**

The money would be used to for this project that redesigns and improves the area adjacent to the Jamaica Station to improve flow in the area. Because the LIRR, MTA, AirTrain and regional buses all converge at the station, congestion is significant. The congestion is not only unsafe but drives potential businesses from the area. The project will make the area safer, a more business friendly environment and inviting to transit riders.

I certify that neither I, nor my spouse has any financial interest in this project.

Sincerely,

The Honorable Jerry Lewis, Ranking Member  
Committee on Appropriations  
H218, The Capitol  
Washington, D.C. 20515

Dear Chair Obey and Ranking Member Lewis:

I am requesting funding for the Pendleton Round-Up and Happy Canyon Facilities Improvements (Pendleton, OR) in fiscal year 2010. The entity to receive funding for this project is the Pendleton Round-Up, located at 1114 SW Court Avenue, Pendleton, OR, 97801. It is my understanding that funds would be used to construct its Centennial Grandstand facility to replace an aging structure that has outlived its useful life and to complete the reconstruction of the four-phase project at Happy Canyon. I certify that neither I nor my spouse has any financial interest in this project.

This request will be made publically available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; and (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark. Should funding be provided to this entity, I will ask them to certify their intent to comply with all statutory obligations. Should this request be included in the bill, I will place a statement in the Congressional Record describing the entity's plan for how the money will be spent and their justification for the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink that reads "Greg Walden".

Dear Chair Obey and Ranking Member Lewis:

I am requesting funding for Brett Way Extension (Klamath Falls, OR) in fiscal year 2010. The entity to receive funding for this project is the City of Klamath Falls, located at 500 Klamath Avenue, Klamath Falls, OR 97601. It is my understanding that funds for this project would go towards closure of an unsafe intersection located at Summers Lane and the South Side Bypass and the extension of Brett Way from Summers Lane to Homedale Road, as well as installation of water line and sanitary sewer, construction of a bridge over an existing canal, and elimination of a uncontrolled rail crossing on Summers Lane. I certify that neither I nor my spouse has any financial interest in this project.

This request will be made publically available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.
