Al stopped by to give me a copy of 10065362, State Farm complaint that reports a fatality in a 2003 Camry. I explained the investigation to him, what it was looking at, and what it was not looking at, and asked his advice on how to communicate this information to the Hotline. He said he will speak with Shirleen Ball, the COTR for the Hotline contractor, about setting up a meeting for me to speak with the Hotline operators on this issue.
