Dear Mr. Scott:

The Domestic Policy Subcommittee of the Oversight and Government Reform Committee requests your testimony at a hearing *on Tuesday, April 20, 2010, at 2:00 p.m., in Room 2154 Rayburn House Office Building.*

The hearing will concern the economic advisability of increasing loan guarantees for the construction of nuclear power plants. We expect that your testimony will address, among other things, the following issues: 1) The history and operation of federal loan guarantees, 2) The role of the Federal Financing Bank, and 3) how federal loan guarantees relating to nuclear power plant construction compare and contrast with the other types of projects allowable under Title 17 of the Energy Policy Act of 2005 and with other projects receiving federal loan guarantees.

The Oversight and Government Reform Committee is the principal oversight committee in the House of Representatives, with broad oversight jurisdiction as set forth in House Rule X. An attachment to this letter provides additional information about how to respond to the Subcommittee's request.

If you have any questions, please contact Jaron Bourke, Staff Director, at (202) 225-6427.

Sincerely,

Dennis J. Kucinich  
Chairman  
Domestic Policy Subcommittee
