

Congresswoman
LUCILLE ROYBAL-ALLARD
34th District, California

**Low-Income Home Energy Assistance
Program**

The Low-Income Home Energy Assistance Program (LIHEAP) is a federally funded program that helps low-income households with their home energy bills. If you or a household member is elderly, disabled, or with children under age six, I encourage you to contact the following agencies which provide energy conservation and weatherization services to eligible low-income households in order to improve energy efficiency of their homes.
