OFFERED BY MRS. DAVIS

At the end of the second paragraph on page 1 add the following: “Before the end of this Congress, given that over 250,000 educators have been laid off from their jobs over the last three years and class sizes continue to rise, the Committee will consider and report legislation to prevent future layoffs of teachers and other school employees, and to reemploy those who have been laid off, and to ensure students are not subject to over-crowded classrooms.”
