7 tion about, and promotes the use of appro-
8 priate accommodations to increase the
9 number of students with disabilities who
10 are tested against academic achievement
11 standards for the grade in which a student
12 is enrolled; and

13 “(v) ensures that regular and special
14 education teachers and other appropriate
15 staff know how to administer the alternate
16 assessments, including making appropriate

13 amount of such State’s allocation, may submit a
14 consortium arrangement to the Secretary for ap-

4 State desiring to receive an allocation under this subpart
5 for a fiscal year that did not receive an allocation for the
6 previous fiscal year or that has been participating for less
7 than 3 consecutive years, the Secretary shall calculate the
8 State’s number of identified migratory children aged 3
9 through 21 for purposes of subsection (a)(1)(A) by using
10 the most recent data available that identifies the migra-
11 tory children residing in the State until data is available

13 in accordance with such subsection.
