Vol. 159

WASHINGTON, MONDAY, DECEMBER 2, 2013

No. 169

HON. PHIL GINGREY

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Mr. Speaker, I rise today to recognize Toyo Tire North America's Bartow County facility, which is celebrating eight years of fostering economic growth in Georgia's 11th Congressional District.

In 2006, the Bartow Toyo Tire facility became the first U.S. consumer tire production operation. The plant includes a manufacturing facility and warehouse that serve customers throughout the country. Since then, Toyo has invested more than one billion dollars and created close to 1000 jobs in northwest Georgia, bringing financial stability and opportunity to Georgia families.

This week, Toyo Tire will announce plans to begin the plant's fourth expansion, investing hundreds of millions of dollars and adding hundreds of jobs to the local economy. This is a huge testament to Georgia's pro-business environment, and one of the reasons Governor Deal certified Bartow County as a 'Certified Work Ready Community.'

Mr. Speaker, I proudly extend my deepest thanks to Toyo Tire North America, their Plant Manager Jim Hawk, and the Toyo employees who play such an important role in making Bartow County's economy flourish. On behalf of Georgia's 11th District, I congratulate the Bartow Toyo Tire facility on eight successful years. Here's to many more.
