The Honorable Thomas E. Perez
Secretary
U.S. Department of Labor
200 Constitution Avenue, NW
Washington, D.C. 20210

Dear Secretary Perez:

The Committee on Education and the Workforce is focused on supporting the nation's workforce and advancing policies that will help strengthen our economy. As part of this effort, the committee is conducting oversight to ensure federal agencies are providing workers, employers, and the organizations that deliver workforce development services with ample opportunity to be informed about and provide comments on regulations being proposed by federal agencies. We are seeking a better understanding of the Department of Labor's (DOL) processes for providing notice and communicating with stakeholders about its regulatory proposals.

Please contact our staff **no later than September 19, 2013** to discuss your agency's work to provide a written response to the following requests relating to each regulation issued by DOL since January 20, 2009:

1. The number of days the public was initially allowed to make comments on each regulation;
2. The date upon which the Office of Management and Budget (OMB) received informally and formally each regulation;
3. The date upon which OMB returned each regulation to DOL;
4. An explanation of how DOL determined the length of its period for public comment for each regulation; and
5. An explanation of any extensions of the period for public comment granted for each regulation.

The Honorable Thomas E. Perez
