

4 billion kilowatt hours of hydroelectric power each year, for the next 50 years. I would want to reiterate our support for the enactment of this important legislation.

Mr. Speaker, I ask my colleagues to support the passage of this bipartisan resolution. Hoover Dam is truly a marvel of engineering, of technology and human endeavor. And tomorrow this reenactment of its 75-year dedication will take place in Las Vegas.

Mr. Speaker, I reserve the balance of my time.

□ 1250

Mr. HASTINGS of Washington. I yield myself such time as I may consume.

Mr. Speaker, generations ago water and power visionaries came up with the idea of making the West bloom by harnessing our rivers. The Hoover Dam is a legendary example of that vision.

When completed in 1935, it was the tallest dam and the largest hydroelectric generator in the world. It literally helped create cities in the arid West and to this day, as my friend from California pointed out, still provides numerous benefits: emissions-free hydropower, drinking and irrigation water, and recreation and flood control.

This bipartisan resolution is a fitting honor to the Hoover Dam and to those who had the foresight to create one of the world's best-known engineering marvels.

Mr. Speaker, I yield back the balance of my time.

Mrs. NAPOLITANO. Mr. Speaker, very, very swiftly and quickly, before I yield back the balance of my time, I thank my staff and the minority staff on this beautiful resolution that is going to commemorate some magnificent achievements by the United States to really promote what we now know as the Southwest.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from California (Mrs. NAPOLITANO) that the House suspend the rules and agree to the resolution, H. Res. 1636.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the resolution was agreed to.

A motion to reconsider was laid on the table.

VIRGIN ISLANDS NATIONAL PARK LAND LEASE

Mrs. CHRISTENSEN. Mr. Speaker, I move to suspend the rules and concur in the Senate amendments to the bill (H.R. 714) to authorize the Secretary of the Interior to lease certain lands in Virgin Islands National Park, and for other purposes.

The Clerk read the title of the bill.

The text of the Senate amendments is as follows:

Senate amendments:

On page 2, line 12 before the period insert: "as amended, assigned, and assumed".

On page 2, line 21 after "lease" insert: "with the owner of the retained use estate".

On page 3, line 19, strike "with" and insert: "without".

On page 4, line 5, strike "and" and insert: "(E) include provisions to ensure the protection of the natural, cultural, and historic features of the resort and associated property, consistent with the laws and policies applicable to property managed by the National Park Service; and".

On page 4, line 6, strike "(E)" and insert: "(F)".

On page 5, line 3, strike "effective date" and insert: "award".

On page 5, line 24, strike "that" and insert: "who".

The SPEAKER pro tempore. Pursuant to the rule, the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) and the gentleman from Washington (Mr. HASTINGS) each will control 20 minutes.

The Chair recognizes the gentlewoman from the Virgin Islands.

GENERAL LEAVE

Mrs. CHRISTENSEN. I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from the Virgin Islands?

There was no objection.

Mrs. CHRISTENSEN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in strong support of H.R. 417, legislation that I introduced to authorize the Secretary of the Interior to enter into a lease with the owners of Caneel Bay Resort in my congressional district.

I have a longer statement which I will submit for the RECORD, but I want to begin by thanking Natural Resources Committee Chairman NICK RAHALL and Subcommittee Chairman RAÚL GRIJALVA for their strong and steadfast support of this bill. I also want to thank Ranking Member HASTINGS and Subcommittee Ranking Member BISHOP for their support as well.

Mr. Speaker, H.R. 714 passed the House in February of 2009 and was approved by the other body, with an amendment, on May 14 of this year. We have been working to secure the enactment of this or a similar bill for more than 4 years, which will mean that the largest employer on the island of St. John in my district will be able to make badly needed upgrades to its facilities and keep operating and save jobs of over 400 employees during these challenging economic times.

In conclusion, Mr. Speaker, I want to thank the Natural Resources Committee Chief of Staff Jim Zoia, Chief Counsel Rick Healy, and National Parks, Forest and Public Land Subcommittee Staff Director David Watkins for all their hard work and assistance on this bill. H.R. 714 is an example of an effective public-private partner-

ship, and I urge my colleagues to support its adoption.

I reserve the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, H.R. 714 has been adequately explained by the gentlewoman from the Virgin Islands, and we have no objections at all to this legislation.

I yield back the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) that the House suspend the rules and concur in the Senate amendments to the bill, H.R. 714.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the Senate amendments were concurred in.

A motion to reconsider was laid on the table.

The SPEAKER pro tempore. Pursuant to rule, the gentleman from California (Mr. FILNER) and the gentleman from Washington (Mr. HASTINGS) each will control 20 minutes.

The Chair recognizes the gentleman from California.

GENERAL LEAVE

Mr. FILNER. I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 5360.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. FILNER. Mr. Speaker, I yield myself such time as I may consume.

I want to commend, Mr. Speaker, Congresswoman STEPHANIE HERSETH

SANDLIN for introducing H.R. 5360, also known as the HELP Veterans Act of 2010. For the last 4 years, as the chair of the Economic Opportunities Subcommittee, the Congresswoman has held hearings to investigate the needs raised by veterans, worked directly with veterans service groups to craft solutions and advance important policy to respond.

This is a comprehensive bill that addresses the critical issues facing veterans: housing, education, employment. It is a collaboration amongst a number of Members working together to make an impact and strengthen the economic opportunities for veterans.

Mr. Speaker, we know that in today’s terrible 10 percent unemployment rate for the Nation, veterans as a whole are almost double that, and recently returned veterans are almost triple that. We, as a body and as a Nation, need to far more directly confront this issue. This is not a way to say “thank you” to our veterans who have served us, and this is one bill that will help make an improvement in all this.

I reserve the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, this bill has been adequately explained by the gentleman from California, and it does enjoy strong bipartisan support.

Ms. HERSETH SANDLIN. Mr. Speaker, I urge my colleagues to support H.R. 5360, the Housing, Employment and Living Programs (HELP) for Veterans Act of 2010, which the Veterans Affairs Committee approved with bipartisan support on Sept. 15, 2010.

I would like to thank Veterans Affairs Chairman FILNER and Ranking Member BUYER for their leadership on the committee and their support of this legislation.

I introduced the original version of H.R. 5360 on May 20, 2010, with the support of my colleague, Economic Opportunity Subcommittee Ranking Member BOOZMAN. The bill, as introduced, was titled the “Blinded Veterans Adaptive Housing Improvement Act of 2010.” The Blinded Veterans Adaptive Housing Improvement Act aligns the VA’s definition of blindness with existing federal laws with regards to eligibility criteria for Specially Adapted Housing Grants. The Economic Opportunity Subcommittee that I chair held a hearing in November 2009 that identified this excessively restrictive definition as having prevented some visually impaired veterans from qualifying for the assistance they need to modify their homes for their disability.

Thanks to a concerted bipartisan effort by Ranking Member BOOZMAN, the other members of the Economic Opportunity Subcommittee, and other members of the full Veterans Affairs Committee, H.R. 5360 was improved and expanded throughout the legislative process to provide aid and assistance to many veterans beyond the visually impaired. I’m pleased the committee worked together in a bipartisan way to craft the final version of this legislation.

Importantly, these benefit improvements for veterans don’t add a dime to the deficit. They are fully paid for by making a change that the VA requested to regulations regarding the VA’s Home Loan Guarantee program.

H.R. 5360, now known as the HELP Veterans Act, improves benefits to veterans in a

number of areas in addition to the assistance for blinded veterans, including:

Increasing apprenticeship, on-the-job training and flight training educational benefits through the Montgomery G.I. Bill.

Extending authorization for the VA's work-study program for student veterans to 2020 and authorizing new program standards to allow these veterans to work in Congressional offices as part of their work-study.

Temporarily reducing, for the three years, the requirement for private employers to provide a wage increase for veterans participating in an approved on-the-job training program.

Reauthorizing the Veterans' Advisory Committee on Education.

Improving the Vocational Rehabilitation and Employment program by providing reimbursement for certified child care assistance for single parents as well as increasing the subsistence allowance payable to veterans participating in VR&E by 5.2 percent.

Updating regulations for VA educational benefit programs to increase the reporting fees payable to educational institutions as well as modifying the rules for advance payment of educational assistance to prevent any break in educational benefits.

Giving the Department of Labor the authority to make grants to programs and facilities to provide services for homeless women veterans and homeless veterans with children.

Again, I wish to thank Ranking Member BOOZMAN and the rest of my colleagues on the committee for the cooperative and bipartisan spirit in which they worked to better serve our veterans through this legislation. I urge my colleagues to pass H.R. 5360, the HELP Veterans Act.

Mr. BUYER. Mr. Speaker, I rise to express my strong support for another bipartisan bill H.R. 5360, despite my deep disappointment that certain veteran-friendly small business provisions passed unanimously by the Veterans Affairs Committee have been stricken from the bill before us today. Those provisions directly would have improved opportunities for small businesses owned and controlled by service disabled veterans.

H.R. 5360, is a bill that is a compilation of several bills reported to the Veterans Affairs Committee by the Subcommittee on Economic Opportunity under the leadership of the distinguished Chairwoman STEPHANIE HERSETH SANDLIN and I appreciate her work and that of Ranking Member BOOZMAN and Chairman FILNER for bringing this bill to the floor.

At a time when small businesses are facing a continuing shortage of credit, I am delighted to see that the bill includes section five which I introduced to reestablish the VA's small business loan program that expired in 1986. Under section five, VA would be authorized to guarantee small business loans up to \$200,000 made by financial institutions. VA would also be required to contract with a financial institution experienced in this field to manage the program. I had originally introduced a similar provision in H.R. 293 and H.R. 4220.

However, I am deeply disappointed that the Democrats on the Small Business Committee led by Chairwoman NADIA VELÁZQUEZ once again chose to favor other small business set aside groups over service disabled veteran-owned small business by objecting to section 21 which I also included in this bill by amendment at the Full Committee markup. Section 21 would have merely leveled the playing field

for service disabled veteran-owned small businesses when competing with other set aside groups for VA contracts by changing the word "may" to "shall" when awarding sole source contracts to service disabled veteran-owned small businesses.

The Veterans Affairs Committee unanimously passed both of these provisions in hope that an additional source of credit backed by the VA will encourage lenders to increase the amount of credit and that a level playing field is the right thing to do for small businesses owned and controlled by service disabled veterans. It is truly unfortunate that Chairwoman VELÁZQUEZ and Speaker PELOSI continue their history of opposing provisions that would benefit disabled veteran-owned small business.

Mr. Speaker, it is unfortunate indeed that about 10 percent of homeless veterans are women and a significant percentage of those veterans bring children with them. So I am also pleased that the bill includes another provision which I introduced to establish a Homeless Veteran Reintegration Program for Women or HVRP-W. This program will focus on homeless programs specially designed to serve homeless women veterans and veterans with children. A veteran, especially one with children at their side should never be homeless.

Section 13 of the bill contains a provision introduced by Mr. BOOZMAN to encourage research and development in the field of assistive technologies used to adapt the homes of severely injured veterans. This authority will make a disabled veterans' homes just a bit more livable.

Mr. Speaker, it is no secret that our young people need positive role models. That is why the provisions I introduced as part of H.R. 4220 are an important part in this bill. Section 19 would provide a small temporary stipend to veterans who are new teachers in rural areas. Therefore, we are not only helping veterans to become teachers in rural areas, but we are also showing our next generation of America's what it means to make a commitment to the nation.

Section 20 would also provide one-year internship jobs at VA for up to 2,000 graduates of the Vocational Rehabilitation and Employment program. These positions will provide service disabled veterans with work experience while helping VA meet the needs of their fellow veterans.

Anyone who has renovated a home recently knows the cost of construction continues to climb more rapidly than the overall inflation rate. Severely disabled veteran often need their homes adapted to make them more livable. That is why Mr. BOOZMAN introduced provisions to make a small increase in the grants made under VA's Specially Adapted Home program. These provisions would increase the existing small grant to \$13,756 and the large grant to \$65,780.

Mr. Speaker, section 24 contains provisions also introduced by Mr. BOOZMAN as H.R. 4259 known as the WARMER Act. This bill updates the types and maximum values of energy efficiency loans that VA may guarantee while directing VA to standardize its appraisal process to ensure energy efficiency improvements are properly valued.

Finally, section 25 is a provision introduced by Mr. MORAN of Kansas to make it easier for severely disabled veterans to use the Tem-

porary Residence Adaptation or TRA grant. TRA grants make small grants up to \$12,000 available to adapt the homes of family members with whom a severely injured veteran is living. Normally, TRA grants are deducted from the veterans overall grant, thus reducing subsequent grants. The provision would allow VA to issue up to 25 grants in Fiscal Year 2011 without reducing the veterans total award. This will help determine whether disabled veterans would be more likely to use the TRA grant.

Mr. Speaker, I want to ensure the Members of my support for this excellent bill despite the removal of several provisions that would benefit veteran-owned small businesses at this critical time and urge my colleagues to support H.R. 5360.

Mr. HASTINGS of Washington. I yield back the balance of my time.

Mr. FILNER. I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. FILNER) that the House suspend the rules and pass the bill, H.R. 5360, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The title was amended so as to read: "A bill to amend title 38, United States Code, to make certain improvements in the laws administered by the Secretary of Veterans Affairs, and for other purposes."

A motion to reconsider was laid on the table.

VETERANS BENEFITS AND ECONOMIC WELFARE IMPROVEMENT ACT OF 2010

Mr. FILNER. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 6132) to amend title 38, United States Code, to establish a transition program for new veterans, to improve the disability claim system, and for other purposes, as amended.
