AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. LATOURETTE) at 1 o'clock and 39 minutes p.m.

PROVIDING FOR CONSIDERATION OF H.R. 4871, TREASURY AND GENERAL GOVERNMENT APPROPRIATIONS ACT, 2001

Mr. LINDER. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 560 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 560

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 4871) making appropriations for the Treasury Department, the United States Postal Service, the Executive Office of the President, and certain Independent Agencies, for the fiscal year ending September 30, 2001, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. Points of order against provisions in the bill for failure to comply with clause 2 of rule XXI are waived except as follows: page 62, line 17, through page 63, line 2. During the consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

The SPEAKER pro tempore. The gentleman from Georgia (Mr. LINDER) is recognized for 1 hour.

Mr. LINDER. Mr. Speaker, for the purpose of debate only, I yield the cus-

tomary 30 minutes to the gentleman from Ohio (Mr. HALL), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Mr. Speaker, House Resolution 560 is an open rule providing for the consideration of H.R. 4871, the Treasury and General Government Appropriations Bill for fiscal year 2001.

The rule provides for 1 hour of general debate divided equally between the chairman and ranking minority Member of the Committee on Appropriations.

The rule also waives clause 2 of rule XXI, which prohibits unauthorized appropriations and legislation on an appropriations bill, with regard to the bill.

Additionally, this rule accords priority in recognition to Members who have preprinted their amendments in the CONGRESSIONAL RECORD. This encourages Members to take advantage of the option to facilitate consideration of amendments and to inform Members of the details of pending amendments.

The rule also provides that the Chairman of the Committee of the Whole may postpone recorded votes on any amendment and that the Chairman may reduce voting time on postponed questions to 5 minutes, provided that the votes immediately follow another recorded vote, and that the voting time on the first in a series of votes is not less than 15 minutes.

House Resolution 560 also provides for one motion to recommit, with or without instructions, as is the right of minority Members of the House.

Mr. Speaker, H.R. 560 is an open rule, similar to those considered for other appropriations bills. It will afford a fair and complete debate on the issues surrounding the underlying legislation.

H.R. 4871 continues the trend of this Congress by funding our national priorities while ensuring fiscal responsibility and a balanced budget. The bill increases funding for \$678 million over last year's appropriation, placing a priority on enhancing law enforcement priorities such as school violence prevention, international child pornography trafficking, and strict enforcement of our existing gun laws.

The bill also continues our commitment to the war on drugs by maintaining spending for drug technology transfers to our allies in the fight against narcotraffickers; ensuring ongoing efforts to partner with local law enforcement and providing an additional \$12.5 million to attack drug smuggling across our borders.

Mr. Speaker, H.R. 4871 funds 40 percent of the law enforcement activities of the Federal Government, and it successfully maximizes the impact of America's investment in those worthy initiatives.

Mr. Speaker, I congratulate the gentleman from Arizona (Mr. KOLBE) for his hard work on this legislation. I urge my colleagues to support this fair, open rule and the underlying bill.
