

and he and I have cosponsored legislation which seeks to ensure that once somebody is blessed with a child that they will meet their responsibilities to that child. We passed legislation, as the gentleman from Baltimore pointed out, in 1993 which said that we were going to ensure that children would be covered under the health care policies of their parents. However, we did not also include Federal employees, the Federal Employee Health Benefit Plan, under that provision. We thought we had.

I think that was our concept but we had not and this legislation seeks to cure that defect in the language.

Now, the gentleman from Maryland (Mr. CUMMINGS), the gentlewoman from Maryland (Mrs. MORELLA), and I are unreserved supporters of Federal employees; but Federal employees, like every other individual in our country, need to meet their responsibilities. I believe that I had and continue to have a personal responsibility for my children. It is not the responsibility of the gentleman from Maryland (Mr. CUMMINGS) or the responsibility of the gentlewoman from Maryland (Mrs. MORELLA), it is my responsibility. They are my children. Now, they are all adults now, but I view them as a blessing. I view it as a blessing that I have the opportunity and the wherewithal, very frankly, to help them.

I would hope every parent would do that; not only would I hope they would do it, it is my expectation that they would do it. And this legislation simply says, as the gentleman has pointed out in correct detail, that if a court orders you to carry your child on your policy and provide them with health care coverage, critical to every child in America, then the Federal employer, like every other employer, will comply with the law in making sure that you meet that personal responsibility.

So I rise in very strong support of that. Some will say it is an additional burden on Federal employees; I say it is not. It is an equitable treatment of Federal employees as we want every other employee in America to be treated so that children in America will be better cared for and will grow up more secure and safe and better citizens.

Although this bill will not get national publicity, it is a very important bill, not only for the children that it will immediately affect, but for the principle that it adopts of responsibility of parents for the welfare and well-being of their children.

Mrs. MORELLA. Mr. Speaker, I reserve the balance of my time.

Mr. CUMMINGS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I want to thank the gentleman from Maryland (Mr. HOYER) for his comments, because his comments really go to the crux of why we are doing what we are doing. I think all of us, all of us in this Congress accept the fact that we have to do everything in our power to make sure children have an opportunity to grow up so that they can be the best that they can be.

And when we think about something like health care, a child able to be taken care of if he has the measles or the mumps or has some kind of problem, health problem, just to know that that custodial parent is placed in a position where he or she can take that child to a health care provider and have that child taken care of is so very, very important.

As the gentleman said, this bill may not reach the headlines of our papers; but I can tell my colleagues one thing, it will reach the headlines of a lot of families, a lot of custodial parents who merely want their children to be healthy.

Mr. Speaker, I urge my colleagues to support this very important legislation. I again, thank the gentlewoman from Maryland (Mrs. MORELLA). I want to thank all of the members of our subcommittee for the bipartisan effort in our quest to uplift the children of our great Nation.

Mr. Speaker, I yield back the balance of my time.

□ 1245

Mrs. MORELLA. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, this is a little bill that goes a long way, a long way as we have heard in terms of helping those children who are most vulnerable to make sure that they are provided health insurance. It is going to enable the Federal Government to enroll an employee in a self and family plan in the Federal Employees Health Benefits Program when a State court orders the employee to provide health insurance coverage for a child of the employee, but the employee fails to provide the coverage.

I want to thank the gentleman from Maryland (Mr. CUMMINGS) for sponsoring this bill, for recognizing its importance. I want to thank the chairman of the Subcommittee on Civil Service, the gentleman from Florida (Mr. SCARBOROUGH), for helping this bill come forward; the gentleman from Indiana (Mr. BURTON), the chairman of the full Committee on Government Reform; the gentleman from California (Mr. WAXMAN), the ranking member of the Committee on Government Reform; the cosponsors and those who have spoken today, the gentleman from Maryland (Mr. HOYER), in effect.

I do want to ask that the Members of this House unanimously, I hope, support this important legislation.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. ISAKSON). The question is on the motion offered by the gentlewoman from Maryland (Mrs. MORELLA) that the House suspend the rules and pass the bill, H.R. 2842, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

The title of the bill was amended so as to read:

“A bill to amend chapter 89 of title 5, United States Code, concerning the Federal Employees Health Benefits (FEHB) Program, to enable the Federal Government to enroll an employee and his or her family in the FEHB Program when a State court orders the employee to provide health insurance coverage for a child of the employee but the employee fails to provide the coverage, and for other purposes.”.

A motion to reconsider was laid on the table.

GENERAL LEAVE

Mr. COBLE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on H.R. 4870, the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

There was no objection.

Mr. COBLE. Mr. Speaker, I yield myself such time as I may consume.

(Mr. COBLE asked and was given permission to revise and extend his remarks.)

Mr. COBLE. Mr. Speaker, I rise in support of H.R. 4870, the Intellectual Property Technical Amendments Act of 2000. As my colleagues may well know, the benefits of the modern economy and promise for future prosperity are strongly related to our intellectual property laws. We are relying upon the proper functioning of our country's patent and trademark systems. These laws are not a casual accident, but a result of constant refinement by the Congress.

Last year, the Congress passed landmark patent reform in the American Inventors Protection Act in the final days of the session. As we all know in the hurly-burly to pass such a large bill, it is usually the case that there are often many oversights and errors which require a follow-up technical corrections bill.

I am pleased to report that the bulk of today's bill is clerical and technical in nature. It removes semicolons, aligns paragraphs, and makes other housekeeping changes. It changes some titles of key offices at the PTO. It also includes some noncontroversial changes to make certain that reexamination and the status of patent applications go as anticipated.

It advances the Congress' goal of making the PTO a more responsible government department. Most importantly, it preserves the protections for the American inventor that we designed and implemented last year.

In closing, I am pleased that the efforts of the progress on H.R. 4870 reunited me with my friend and colleague, the gentleman from California (Mr. ROHRBACHER), who is a tireless advocate for the American innovator. Likewise, I want to extend my remarks and thanks to the ranking member, the gentleman from California (Mr. BERMAN), for his valuable assistance in preparing this bill for consideration. The Members will realize that a strong and well-functioning patent and trademark system plays an integral part in our economic prosperity, should feel confident that the legislation before us

plays a small, however important, role in continuing our efforts.

I urge all of my colleagues to support its passage.

Mr. Speaker, I reserve the balance of my time.

Mr. BERMAN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I want to thank my good friend, the gentleman from North Carolina (Mr. COBLE), for shepherding this bill forward. As the gentleman from North Carolina (Mr. COBLE) indicated, last year Congress enacted substantial reforms to the patent system. After the enactment last year of the American Inventors Protection Act and the intervening months of implementation, it has become apparent that several minor adjustments to the law are needed. Most of the corrections within the manager's amendment and the underlying H.R. 4870, the Intellectual Property Technical Amendments Act, are truly technical, correcting punctuation and the like.

There are some minor substantive changes that are needed to implement last year's legislation. H.R. 4870, as reported by the Committee on the Judiciary and the manager's amendment, address several such issues. I want to thank the legislative counsel's office and those at the Patent and Trademark Office and the patent and trademark communities who have assisted us in identifying the problems with this bill that it addresses, and I urge the body's vote for this bill.

Mr. Speaker, I yield back the balance of my time.

Mr. COBLE. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from North Carolina (Mr. COBLE) that the House suspend the rules and pass the bill, H.R. 4870, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

ESTABLISHING THE ELIGIBILITY OF ALIENS ADMITTED FOR PERMANENT RESIDENCE

Mr. HYDE. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 5062) to establish the eligibility of certain aliens lawfully admitted for permanent residence for cancellation of removal under section 240A of the Immigration and Nationality Act.

The Clerk read as follows:

H.R. 5062

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. LIMITING DISQUALIFICATION FROM CANCELLATION OF REMOVAL FOR CERTAIN PERMANENT RESIDENT ALIENS.

(a) TERMINATION OF PERIOD OF CONTINUOUS RESIDENCE.—
