

SEC. 3. SENSE OF THE SENATE.

It is the sense of the Senate that—

(1) there should be established a Doctor of Nursing Practice (DNP) and Doctor of Pharmacy (PharmD) dual degree program;

(2) the development of a joint degree in nursing and pharmacology should combine a Doctor of Nursing Practice (DNP) with a Doctor of Pharmacy (PharmD);

(3) the significance of such a dual degree program would be improving patient outcomes;

(4) through such a dual collaborative role, health providers will be better able to meet the unique needs of rural communities across the age continuum and in diverse settings;

(5) such a dual degree program—

(A) would enhance collaboration between Doctors of Nursing Practice and physicians regarding drug therapy;

(B) would provide for research concerning, and the implementation of, safer medication administration;

(C) would broaden the scope of practice for pharmacists through education and training in diagnosis and management of common acute and chronic diseases;

(D) would provide new employment opportunities for private physician or nurse managed clinics, walk-in clinics, school or college clinics, long-term care facilities, Veteran Administration facilities, hospitals and hospital clinics, hospice centers, home health care agencies, pharmaceutical companies, emergency departments, urgent care sites, physician group practices, extended care facilities, and research centers; and

(E) would assist in filling the need for primary care providers with an expertise in geriatrics and pharmaceuticals; and

(6) additional research and evaluation should be conducted to determine the extent to which graduates of such a dual degree program improve primary health care, address disparities, diversify the workforce, and increase quality of service for underserved populations.

By Mr. ROCKEFELLER:

S. 3863. A bill to designate certain Federal land within the Monongahela National Forest as a component of the National Wilderness Preservation System, and for other purposes; to the Committee on Energy and Natural Resources.

Mr. ROCKEFELLER. Mr. President, I rise today to introduce the Monongahela Conservation Legacy Act of 2010. This important piece of legislation sets aside 6,042 acres of the Monongahela National Forest on North Fork Mountain in Grant County, WV, to be included in the National Wilderness Preservation System.

West Virginians have a proud tradition of mining and logging that provides needed resources for our entire country. I have no doubt that this tradition will continue for many decades to come. However, at the same time, new development is coming to West Virginia. This is needed development that provides jobs for West Virginians and helps support our economy. But with this increased development comes a responsibility to set aside some part of our natural environment for those who come after us.

The Monongahela National Forest encompasses nearly 920,000 acres of land in the heart of the Appalachian Mountain Range and contains some of

the most ecologically diverse regions in the country. North Fork Mountain is one of these incredible areas and has earned the Forest Service's highest rating for Natural Integrity in its Wilderness Attribute Rating System. The mountain is a nesting site for peregrine falcons and home to 120 rare plants, animals, and natural communities. With this wilderness designation all of these ecological treasures will be permanently protected.

Over the years I have heard from hundreds of West Virginians about how important wilderness is to them. I have heard from West Virginians who want to make sure that they will be able to continue to fish pristine streams and hunt in the forests. Wilderness is a major draw for the outdoor tourism industry and will provide jobs.

Finally, I want to extend my thanks to Congressman MOLLOHAN, who has introduced identical legislation in the House of Representatives, for his leadership on this issue. I will continue to work with all stakeholders involved to move this legislation forward and to address any concerns while ensuring the preservation of this truly special place.
