

“to reach a safer future, we will need the resources of everybody here. The scientists, the policy makers, and the industrialists, all working together towards a common goal. And that goal is a planet that can continue to support life, including all of us.”

These words are even more powerful knowing that they came from a man who contributed the most precious resource available to him—the small number of days he had remaining in his life—toward the common goal he speaks of.

We would do well to follow the advice of Piers and to follow his heroic example.

MESSAGE FROM THE HOUSE

At 12:03 p.m., a message from the House of Representatives, delivered by Mrs. Cole, one of its reading clerks, announced that the House has passed the following bills, in which it requests the concurrence of the Senate:
