

# Resolution Continuing Government Operations, Boosting U.S. National Security, and Extending Critical Federal Programs

## House Amendment to Senate Amendment to H.R. 1370

### Maintains Federal Operations and Prevents a Government Shutdown

- Continues funding at the current (FY 2017) rate until **January 19, 2018**
- Without this measure, *existing funding would run out on December 22*
- Clean extension of funding with limited changes to ensure good governance
- *Temporarily delays automatic (sequestration) cuts to both defense and nondefense funding*

### Provides Emergency Military Funding to Boost National Security

- Contains an additional **\$4.7 billion** in emergency funding *as requested by the Trump Administration and the Department of Defense* to bolster missile defense and repair damaged ships

### Includes Critical Funding for the VA Choice Program

- Provides **\$2.1 billion** in mandatory funding to *ensure veterans continue to receive health care they need and deserve*

### Temporarily Extends Vital Government Programs

- Temporarily extends the Children's Health Insurance Program to ensure 9 million children from low-income families have access to health insurance coverage
- Temporarily extends the National Flood Insurance Program
- Temporarily continues the existing Foreign Intelligence Surveillance Act (FISA)
