

Provides **\$1.3T** in discretionary funding for all 12 annual Appropriations bills, including **\$78.1B** in funding for the Global War on Terror/Overseas Contingency Operations, adhering to budget caps set by the recently enacted Bipartisan Budget Act of 2018

MAKES THE LARGEST INVESTMENT IN ARMED FORCES IN 15 YEARS

- Provides **\$654.6B** for the Department of Defense – **\$589.5B** in discretionary funding and **\$65.2B** in Global War on Terror/Overseas Contingency Operations funding – for a total FY18 increase of **\$61.1B** above FY17
 - **This is the the biggest year-to-year increase in defense funding since the beginning of the War on Terror**
- **Rebuilds our military after years of damage and neglect done under the previous Administration** – fulfilling requests by Secretary Mattis and our military leaders
- Gives our brave warfighters the resources they need not only to win the fight but return home safely
- **Fully funds a 2.4% pay raise for our troops**

DIRECTS DOMESTIC FUNDING TO CRITICAL PRIORITIES

- **Secures our homeland** – targets **\$1.571B** for **physical barriers and associated technology along the Southwest border** (providing for 90+ miles of border wall system, beyond the Administration's request for 74 miles in FY18), puts more "boots on the ground," and increases detention beds
- **Rebuilds America's aging infrastructure** – a top priority of the President – by investing an additional **\$21.2B** for infrastructure projects across the country, including transportation, energy and water, and cyber
- **Provides the largest investment to date to combat the opioid crisis** that President Trump declared as a national public health emergency, including robust funding for treatment, prevention, and law enforcement programs that stop the spread of these dangerous drugs and help families and communities get the assistance they need
- **Helps keep our kids and schools safe** by targeting more than **\$2.3B** in new funding to effective mental health, training, and school safety efforts programs at the Departments of Justice, Education, and Health and Human Services
- **Targets funding increases toward conservative priorities that will protect and support all Americans**, holds down spending for agencies and programs that have been wasteful, ineffective, or controversial, and makes the most of every tax dollar by strengthening oversight
- **Maintains all provisions to preserve Second Amendment rights** government-wide
- **Preserves the sanctity of life**, maintaining existing pro-life provisions and protecting the President's Mexico City policy

BUILDING ON MONTHS OF WORK IN THE HOUSE

12 All bills passed by the Committee in under one month

12 All bills passed the House before the end of the fiscal year for the first time since FY 2010

232 Amendments considered on the House floor

12K GOP programmatic and language submissions received for FY18

19 Hearings and briefings held to provide opportunities for member and staff input and questions
