GENERAL INFORMATION

Admission to an Academy is a competitive two-step process. The first step is to obtain a nomination from an authorized source. The second step is to receive an appointment from the academy. The nomination allows you to compete for the appointment but does not guarantee an appointment.

Each nominating source uses a selection process for Academy nominations designed to meet its own needs and standards. The different procedures are often confusing to applicants who apply to more than one source. Carefully studying and following the instructions of each office can avoid misunderstandings.

PLEASE NOTE: By signing the application you will have indicated an understanding and acceptance of the nomination requirements as set forth by the Office of Congressman Rodney P. Frelinghuysen.

Because of the extreme competition for nominations, you are urged to apply to every nominating authority available to you (For example, a Member of Congress, both U.S. Senators, and the Vice President). Should your eligibility allow, you may also apply to the President. Ideally, students seeking a nomination should begin the Congressional Academy process in their junior year of high school.

Congressman Frelinghuysen may nominate qualified candidates to the United States Air Force, Merchant Marine, Military, and Naval Academies.

Contact with the admissions office of the Academy of your preference is imperative. The Academy will establish a file and forward to you general information and detailed admissions requirements including a Prospective Candidate Questionnaire.

Congressman Frelinghuysen's Academy Review Panel will conduct a personal interview with each applicant meeting all requirements. Selections are made competitively on the basis of academic performance, leadership potential, extra-curricular activities, physical aptitude, personal interviews and letters of recommendation. Qualified individuals for each vacancy will be recommended by the board to Congressman Frelinghuysen for nomination. The final ranking and subsequent appointments will be at the discretion of the Academies.

Certain information must be provided in order for you to be considered an applicant. It is your responsibility to submit the required information. Completed applications must be postmarked no later than 5:00 p.m. on Monday, October 15, 2018.

To ensure that Eleventh District applicants have an opportunity to be reviewed by the Academies, please let the Congressman's office know immediately if another authority nominates you or should you change your career goals. This will offer the opportunity to another student.

FACT SHEET

The Academies provide guidelines for applicants who may be eligible to be considered for an appointment. A candidate must be an American citizen by the date of induction into an Academy and of good moral character. If you are a naturalized citizen, you must provide documentation.

The United States Air Force Academy, Military Academy, and Naval Academy require you to be at least 17 years old, but not have passed your 23rd birthday by July 1 of the year of induction. A candidate must be unmarried with no dependents.

The United States Merchant Marine Academy requires that you be at least 17 years old, but not have passed your 25th birthday by July 1 of the year of induction. A cadet may be married, but couples may not be domiciled either on or off campus.

All Academies require you to pass a Department of Defense Medical Examination Review Board (DODMERB). The Academy to which you have applied will initiate the scheduling of an examination with the Department of Defense. Once taken, the examination may be used for all service academies and four-year ROTC scholarship programs.

NOTE: Graduation from a United States Service Academy obligates you to serve five years of Active Duty Service.

REQUIREMENTS

Residency: An applicant must be a legal resident of the Eleventh Congressional District of New Jersey. To verify your congressional district, visit <http://www.house.gov/> and use the “Find My Representative” search box in the upper right hand corner of the website or call the Morristown office at 973-984-0711.

Application Form: The enclosed application should be completed and submitted along with a photograph of the applicant and all required information in a single large envelope. The only aspect of an applicant’s file that should arrive separately is the official score report(s) for the SAT and/or ACT will send directly to the office following the student’s request.

Three (3) Letters of Recommendation: Choose someone who knows you well - a teacher, coach, employer, etc. - to write a recommendation letter for you. Each person should return the letter to you in a sealed envelope with his/her name signed across the flap of the envelope. Submit all three letters together with your application and other required materials. Only three recommendation letters will be presented to the Review Board. Please do not submit additional letters. Note: Your guidance counselor or principal is permitted to substitute a letter for the General Comments section of the Scholastic Information Sheet. That letter will be included with your file but will not count as one of your three letters of recommendation.

SAT & ACT Score Reports: The applicant must have official score report(s) for the SAT and/or ACT sent directly from the test administrator to the Office of Congressman Frelinghuysen. Unofficial reports and photocopies are not permitted. The SAT code number is **2496**. The ACT code number is **7534**. The official score report(s) are the only part of the application materials that should arrive separately.

Essay: Briefly state why you want to attend the Academy of your choice. There is a 500 word limit.

Scholastic Information Sheet: Ask your high school counselor or principal to complete both pages of the Scholastic Information Sheet. If your counselor or principal chooses to include a letter in place of completing the General Comments section of the form that is acceptable. The counselor’s/principal’s letter will not count as a letter of recommendation. Please ask that the completed form be returned to you in a sealed envelope with the person’s signature across the flap of the envelope. You must submit the Scholastic Information Sheet at the same time as the application and other required materials.

Numerical Class Rank/Size: Numerical class rank and the approximate size of the class are required. This information must be included on the Scholastic Information Sheet completed by your guidance counselor or principal. A few schools have advised that they do not rank students. In order to complete all requirements, an accurate estimate of your class standing will have to be made by your guidance counselor or principal. There is a box on the Scholastic Information Sheet that your counselor or principal should check if that person is making an estimate of the applicant’s class ranking.

REQUIREMENTS

Transcript: Ask your guidance counselor or principal for an official transcript that includes your course listing and grades, current GPA, class rank, and SAT/ACT test scores. Your final junior grades must be listed on the official transcript (report card copies are not permitted). Please do not request your transcript before the final grades from your junior year have been added to your transcript. The transcript should be returned to you in a sealed envelope with the signature of your counselor, principal or a school official across the flap of the envelope. The transcript and the Scholastic Information Sheet may be returned to the applicant in separate envelopes or together in a single envelope. You must submit the transcript at the same time as the application and other required materials.

Deadline: Your complete application, along with all required information, must be received in a single large envelope at the Morristown District Office by **5:00 p.m. on Monday October 15, 2018.**

Interviews: Interviews will be scheduled for Saturday and Sunday, November 17-18, 2018 **for all eligible applicants.**

The personal interview is mandatory. Eligible applicants will receive a letter informing them of the time and place for the interview. Special arrangements can be made for dependents of active duty military personnel who are located outside the State. You must call the office to discuss these arrangements prior to the application deadline. Special scheduling time requests will be considered if notice is received **prior to October 22, 2018.**
