

Youth Advisory Council

2017-2018 School Year

The Youth Advisory Council is a nominations-based program for New Jersey's 11th Congressional District's high school students.

What Can Students Gain From This Experience?

- A first-hand look at the federal government in action.
- A valuable understanding of the legislative process.
- A chance to discuss current issues and prospective laws with peers, public officials and Congressman Frelinghuysen.

Past events include:

- Tours of the Picatinny Arsenal, the U.S. Army's premier research and development facility.
- NASA discussions and demonstrations.
- United States Secret Service briefings and tours with special agents.
- A meet-and-greet with New Jersey's first female Governor Christine Todd Whitman.

Contact Congressman Frelinghuysen's Morristown office at (973) 984-0711.
