- Develop a Selection Criteria to identify contracts for in-depth review. Based on the 10 criteria identified within the Consolidated Appropriations Act, DOL will prioritize its selection of contracts for further review in the following order:
 - Potential for Inherently Governmental performance by contractors;
 - Contracts providing services classified as special interest functions; and
 - Contracts that do not include special interest functions, but were awarded on a non-competitive basis, considered high risk/high spending or meet any one of the remaining designated criteria.
