SHOP Marketplace - Employer Enrollment Application

The online SHOP Marketplace is open for employers with 1-50 employees to enroll in coverage, in most states. If you already have coverage through the SHOP Marketplace, you'll need to visit [HealthCare.gov](https://www.healthcare.gov) to renew your coverage. Learn more about SHOP Marketplace renewals at [Marketplace.cms.gov/technical-assistance-resources/shop-renewal-guide.pdf](https://marketplace.cms.gov/technical-assistance-resources/shop-renewal-guide.pdf).

If your business is in one of these states, use this document to guide you through the enrollment process:

Alabama	Maine	Pennsylvania
Alaska	Michigan	South Carolina
Arizona	Missouri	South Dakota
Delaware	Montana	Tennessee
Florida	Nebraska	Texas
Georgia	Nevada	Virginia
Illinois	New Hampshire	West Virginia
Indiana	New Jersey	Wisconsin
Iowa	North Carolina	Wyoming
Kansas	North Dakota	
Kentucky	Ohio	
Louisiana	Oklahoma	

If your business is in a state that's not listed above, that means the state is running its own SHOP Marketplace. You'll need to follow your state's application enrollment process.

To find your state's SHOP Marketplace, visit [HealthCare.gov/smallbusinesses](https://www.healthcare.gov/smallbusinesses) and select your state from the drop-down menu, or contact the SHOP Call Center at 1-800-706-7893, Monday - Friday, 9a.m. - 5p.m. ET. TTY users can call 711 to reach a call center representative.

If you're working with a SHOP Marketplace registered agent or broker, they'll follow the same process you do to complete your application. You may authorize an agent or broker to help with your application and enrollment at any time.

Important: You can stop at any point in the application and save your information. To return to where you stopped, select **My eligibility**, then select **Edit enrollment** in the **Actions** field. The system will time out after 30 minutes of inactivity.

Create a Marketplace account

To start the SHOP Marketplace enrollment process, visit HealthCare.gov and create your account. After you create an account, you can store all business, employee, and coverage information, and access the SHOP Marketplace enrollment application. If you're renewing your enrollment or shopping for a new plan, you can use your existing account.

- **Select your state.** Visit the small business employer page at [HealthCare.gov/small-businesses/employers](https://www.healthcare.gov/small-businesses/employers) and select your state from the drop-down menu. Select the state where your primary business address is located. Then select **APPLY NOW**.

Note: If you already have a Marketplace account, you can select **Log in** to use the same account for the SHOP Marketplace (same username and password).

The screenshot shows the HealthCare.gov website interface for Small Businesses. The top navigation bar includes the HealthCare.gov logo, tabs for 'Individuals & Families' and 'Small Businesses', and links for 'Log in' and 'Español'. Below the navigation, there are buttons for 'For Employers', 'For Employees', and 'Get Answers', along with a search bar. The main content area features a large heading: 'Offer quality, affordable coverage to your employees any time'. Below this, it states: 'Have 50 employees or fewer? Use the Small Business Health Options Program (SHOP) Marketplace to offer them coverage.' A dropdown menu shows 'Delaware' selected. Below the dropdown, there is a link: 'Apply for SHOP coverage online. Not sure your business qualifies for SHOP? Learn more first.' Two prominent green buttons are visible: 'APPLY NOW' (highlighted with a red box) and 'LEARN MORE'. At the bottom left, there is a small link: 'Own a business in more than one state?'.

- **Answer a few questions.** On the **Create an account page**, you'll enter your first and last name, email address, and preferred password.

Next, you'll answer a few security questions. These questions will be helpful in case you forget your username and/or password and have trouble logging in.

- Select the box stating that you understand and agree with HealthCare.gov's privacy policy and, then select **CREATE ACCOUNT**.

Note: When you create your account, the information you provide is case sensitive. Remember to enter the information the same way when you log-in.

At the bottom right of the white box are two buttons: 'BACK' and 'SAVE & CONTINUE'. The 'SAVE & CONTINUE' button is highlighted with a red box.

- **Enter employee information.** On the **Employee details** page, you'll list all employees who will get a coverage offer, including you. To complete the employee roster, you'll need each employee's legal first and last name, date of birth, and Social Security Number. While not required, it's also important to include each employee's email address so they can be notified directly about your coverage offer. You'll also enter their address, employment status (like full or part-time), date of hire, and contact preferences. You can select one of these 3 options to list your employees:
 1. Select **ADD EMPLOYEE** to enter employee information one at a time on the employee roster screen.
 2. Select **BLANK ROSTER** to download a blank Excel roster template to enter each employee's information.
 3. Select **COMPLETED ROSTER** to upload an Excel file with your employees' information. After you select the file from your computer, the file name will appear in the employee roster dialogue box.

Note: You can download the 1997-2003 Excel template on the employee roster page. You can only upload the 1997-2003 Microsoft Excel file. You'll get an error message if the file isn't in the right format.

You can also add dependent information, but this is optional. Your employees may enter this information when they review your coverage offer.

On the employee roster, each employee is assigned a "participation (or unique) code." The SHOP Marketplace will email this code to employees using the email address listed on the employee roster. If there's no email address listed, you'll have to provide the code to them. Your employees need this code to review and respond to your coverage offer, and complete their applications. If an employee doesn't get their participation (or unique) code, or needs it again, you can look it up in your Marketplace account. Your authorized agent or broker (if you have one) and the SHOP Call Center can also help you and your employee find their participation (or unique) code.

Once you've created or uploaded an employee roster, select **SAVE & CONTINUE**. You can review and edit the roster as employees are added.

To update information for a specific employee, you can sort the roster and perform a search. You can't upload a new roster if there's an employee already entered in the current roster.

After you send the coverage offer to your employees, only employees on the roster at this point will be included in your initial Open Enrollment Period. Any employees you add after this will get a Special Enrollment Period (SEP). We'll explain SEPs in more detail later in this guide.

Set enrollment period

The enrollment period is the timeframe your employees have to review your coverage offer and accept or decline coverage. Remember, you must submit your application by the 15th of the month if you want your coverage to start on the 1st of the following month.

Choose the day you want your enrollment period to start and the last day your employees have to enroll. If employees don't select coverage during this enrollment period, they may not be eligible for the coverage you offer. Be sure to leave enough time to allow your employees to respond to your offer of coverage. This will ensure that your completed application is submitted in time to meet the coverage start date you select below.

The coverage start date may affect your costs. This is due to quarterly rate increases that may be set by insurance companies. Once you enroll, your premium is locked in for 12 months.

Employee waiting period

You have the option of setting up a waiting period for new employees before coverage can start. You can choose a waiting period of 0, 15, 30, 45, or 60 days. New employees can select plans immediately, but won't be enrolled until after the waiting period is completed. A waiting period only applies to employees added to the roster after coverage has started.

- **Select how you'll offer coverage.** On the **Decide how you offer coverage** page, you'll choose whether you want to offer your employees one plan or a choice of plans (called "Employee Choice").

Note: You don't have to offer both health and dental coverage to your employees. You may choose to offer only health or only dental coverage. There's no minimum participation rate requirement to enroll in a dental plan. If you offer dependent coverage, dependents can enroll in a dental plan without also enrolling in a health plan, and vice versa. Similar to health plans, employees must enroll in a dental plan before their dependents may enroll in a dental plan.

You have 3 options to offer SHOP Marketplace coverage:

1. **Employee Choice by plan category.** You may select one plan category (like Bronze or Silver), and employees can choose any plan from any insurance company in that category.
2. **Employee Choice by insurance company.** You may select one insurance company with multiple plans. Your employees can then select a plan from that insurance company in any plan category. This option is available only in the states listed on page 36.
3. **Employer Choice.** You may select one health or dental plan from an insurance company in your area to offer your employees. You can make changes any time before you submit your application.

Decide how you offer coverage

You have 3 options to offer SHOP Marketplace coverage:

- **Employee Choice by plan category** – You'll select one plan category (like Silver or Gold) with multiple plans from different insurance companies. Your employees can then select the plan that best meets their needs from the plan category you choose.
- **Employee Choice by insurance company** – You'll select one insurance company with multiple plans. Your employees can then select the plan that best meets their needs from the insurance company you choose.
- **Employer Choice** – You'll select one plan from an insurance company. Your employees must enroll in this plan in order to get SHOP coverage.

- **Set your premium contribution.** On the **Set employer premium contribution** page, decide how much you want to contribute toward employee premiums. If you offer dependent coverage, you'll also decide how much you want to contribute towards dependent premiums.

Note: To qualify for the Small Business Health Care Tax Credit, you must contribute at least 50% of the total employee premium. Visit the SHOP Tax Credit Estimator at [HealthCare.gov/small-businesses/provide-shop-coverage/small-business-tax-credits](https://www.healthcare.gov/small-businesses/provide-shop-coverage/small-business-tax-credits) to see if you qualify for the tax credit and how much it may be worth to you.

- If you offer one health plan, you'll contribute a fixed percentage of the individual plan premium for each employee and dependent (if you offer dependent coverage). Under **Contribution method**, select the fixed percentage radio button for medical and dental coverage, if applicable. Then, you can enter your percentage contribution in the contribution box for employees and dependents.
- If you offer your employees a choice of plans, you have 2 options:

1. Contribute a fixed percentage of any individual plan premiums within a health plan category (like Bronze or Silver) for each employee and dependent (if you offer dependent coverage). The fixed percentage amount will vary from employee to employee based on their age and the plan they choose.

For example: Jane is 25, and her premium is \$200 per month. John is 60, and his premium is \$300 per month. You decided to pay 80% toward your employees' individual plan premiums (which varies by their age). This means that you'll pay \$160 per month toward Jane's premium and \$240 per month toward John's premium.

If you choose this option, under **Contribution method**, select **Fixed percentage** for health and dental coverage, if applicable. Then, you can enter your percentage contribution in the box for employees and dependents.

2. Contribute a fixed percentage of a specific "reference plan" premium amount that you choose. The reference plan you choose is used to determine the percentage amount you'll contribute toward your employees' premium – assuming everyone selects the reference plan when enrolling in coverage. The reference plan premium amount will still vary from employee to employee based on their age, but you contribute a fixed amount based on the premium amount of the reference plan – regardless of the plan chosen by your employees.

For example: The reference plan premium is \$100 for Bob, and your contribution is 50%. You'll pay \$50 toward Bob's premium, even if he chooses a different plan. The reference plan premium amount will vary from employee to employee based on their age, but you'll know up front what your cost will be for each employee and dependent regardless of the plan each employee chooses.

If you want to contribute to your employee's plan using this option, select the **Reference plan** button for health and dental coverage, if applicable. Then, you can enter your percentage contribution in the box for employees and dependents.

Select the box next to dependents if you want to contribute to dependent premiums. If you decide to offer dependent coverage without contributing toward the premium, add a "0" in the dependents percentage contribution box.

Whether you offer one plan or a choice of plans, your percentage contribution will convert to a specific dollar amount that you can use for budgeting purposes. You'll see what the employees' and your premium contribution will be when you compare plans.

Note: You may revise the percentage contribution any time prior to submitting the enrollment application.

After you enter your percentage contribution, select **SAVE & CONTINUE**.

- **Select a health plan.** You'll review and select health coverage on the **Select a plan for health coverage** page. If you're offering a single health plan, you can look through the available plans in your area, compare costs and benefits, and choose one that's right for you and your employees. If you're offering a choice of plans, you can review and compare available insurance companies and plans, and then your employees can make a selection from these available plans.
 - **Review plan details:** To review more detailed information about a plan, like copayments, laboratory and outpatient services, medical devices, emergency care, prescription drugs, and inpatient stays, select **Details**.
 - **Compare plans side-by-side:** To compare side-by-side, select the **Select to compare** checkbox for each plan you want to compare. You can compare up to 3 plans at a time. After choosing each plan you want to compare, select **Compare plans**.
 - **View Premium Breakdown:** To view a breakdown of your employee and dependent premium costs by plan, select "View Premium Breakdown."
 - **Sort plans:** You can sort plans using the **Sort by** drop-down menu and selecting any of the cost or deductible options listed.
 - **Filter plans:** You can also filter your plan results under **Narrow your results**.

Set employer premium contribution, 4. Select plans (current step), and 5. Summary & submit. Two plan cards are shown side-by-side. The first card, 'Not Applicable Silver', lists an employer monthly cost of \$70.03, an employee monthly cost of \$70.02, and a total estimated cost of \$140.05. The second card, 'Group Silver 1', lists an employer monthly cost of \$73.13, an employee monthly cost of \$73.13, and a total estimated cost of \$146.26. Each card has a 'DETAILS' button and a green 'SELECT' button. Below the plan cards, there is a section for 'Access to doctors and hospitals' with a table for 'National Provider Network' and 'Provider Directory'. The 'National Provider Network' table has two columns, both with 'NO' values. The 'Provider Directory' section has two links: 'Refer to provider network'.

- **Select a dental plan.** If you're offering dental coverage, compare dental plans and choose one that's right for you and your employees. You'll follow the same process described above to review, compare, and select a dental plan.

You have 3 options when offering dental coverage through the SHOP Marketplace:

If you offer your employees a choice of dental plans, you can select a reference plan for dental coverage or contribute based on a fixed percentage.
 2. **Employee Choice by insurance company.** You may select one insurance company with multiple dental plans. Your employees can then select a dental plan from that insurance company in any plan category (Low or High). If you offer your employees a choice of dental plans, you can select a reference plan for dental coverage or contribute based on a fixed percentage. This option is only available in select states.
 3. **Employer Choice.** You may select one dental plan to offer your employees from a list of insurance companies in your area. You can make changes any time before you submit your application. If you offer one dental plan, you can contribute based on a fixed percentage.
- **Review coverage selection.** Before you submit your coverage offer to employees, it's important that you review your application.

Minimum Participation Rate

The minimum participation requirement doesn't apply from November 15 - December 15 each year. Outside of this timeframe, 70% of your eligible employees must enroll in the plan(s) you offer through the SHOP Marketplace. This percentage is different in some states.

If you don't have enough employees to enroll, the SHOP Marketplace won't allow you to submit your application. To learn more about the minimum participation rate and your options if you don't have enough employees to enroll, visit [Marketplace.cms.gov/outreach-and-education/employee-minimum-participation-shop.pdf](https://marketplace.cms.gov/outreach-and-education/employee-minimum-participation-shop.pdf).

Cancel or terminate coverage

If you decide not to offer coverage, or an employee wants to cancel their enrollment, you have until 11:59pm ET to cancel before the coverage effective date. The SHOP Marketplace will give a refund for any payments collected.

Important: Your employees should work with you to cancel enrollment.

If you want to terminate enrollment after the coverage effective date, your coverage will be terminated on the last day of the month in which you terminated coverage. In this case, you won't get a refund from the SHOP Marketplace, unless you've already paid for SHOP Marketplace coverage for future months. For example, if your group enrolls with a January 1 coverage effective date and you change your mind on or after January 1, the earliest you can terminate coverage is January 31.

Employee roster for 2016

Submit a roster that lists all employees who'll get an offer of coverage, including you. You can upload a complete employee roster or add employees manually.

- List all eligible employees, even if some may not accept coverage. You can include yourself, but you can't be the only one listed on the roster.
- At a minimum, you must offer coverage to each employee working an average of 30 or more hours a week throughout the year.
- All employees working 30 or more hours a week should be listed, even if they don't plan to accept coverage.
- You must add new employees to the roster within 30 days of their hire date if you're adding them to the roster after coverage has started.

You need to list these people so you can track the percentage of employees who accept your offer of coverage. This lets you determine if you meet the minimum participate rate.

The screenshot shows the HealthCare.gov website interface. At the top, there are navigation links for "Individuals & Families" and "Small Businesses", and a language selector for "Español". A blue button labeled "DON'T HAVE AN ACCOUNT?" is visible. The main content area is titled "Forgot password" and includes the following text: "All fields are required unless they're marked optional." and "Please give us the following information and we'll send you an email with instructions." Below this text is one input field: "What is your Marketplace username?". At the bottom right of the form, there are two buttons: "CANCEL" and "SEND EMAIL", with the "SEND EMAIL" button highlighted by a red border.
