

# ECONOMIC DEVELOPMENT INTEGRATION

## ***EDA: The Federal Government's Lead Economic Development Agency***

The Economic Development Administration (EDA) is the only federal agency with a mission that is solely devoted to economic development. EDA has been designated by the Office of Management and Budget (OMB) to serve as the lead integrator of the federal government's economic development resources.

## ***Integration: Enhanced Service Delivery for Optimal Economic Outcomes***

EDA's Economic Development Integration (EDI) team advances the agency's mission and the federal integration agenda by:

## ***Contact EDA***

For more information about how EDA can address your community's economic development needs and support local and regional objectives, contact your regional EDA office: <https://www.eda.gov/contact/>.

To request more information about the mission and function of EDI, contact [edi@eda.gov](mailto:edi@eda.gov). You can also visit the EDI website at: <https://www.eda.gov/edi/>.
