On-Site Monitoring Observation Components

During the site visit, IDOE personnel will visit classrooms to observe lessons being provided. IDOE reviewers will be looking to see that actual instruction and programming matches descriptions provided in the grant application; that students are engaged and spending an appropriate amount of time on task; that instruction is clear and understandable; and that instructors seem knowledgeable about lesson content and alternative strategies. Each program will receive a score of 1-4 points for each component. Programs receiving a score of 1 (Below Standard) or 2 (Approaching Standard) on any component will be required to address deficiencies prior to a second site visit that will occur within 90 days or the program may be removed from the approved program list.
