Objective factors include errors in data, significant demographic changes in the student population, or other significant issues including, but not limited to, errors in the application of 511 IAC 6.1-10.
- c. Pursuant to a Memorandum of Understanding, requests for an appeal of a school's preliminary A-F letter grade will be forwarded to the Indiana Attorney General to be addressed by a hearing officer.

- g. After the Board officially places schools in A-F letter grade categories for the 2017-18 school year at the November 14th, 2018 meeting, schools will have another opportunity to submit an appeal based on a school's assertion that its annual assessment data does not accurately reflect the school's performance, or other significant issues. Schools that submit a request after the Board officially places schools in A-F letter grade categories for the 2017-18 school year on November 14th, 2018, will not have their A-F letter grade embargoed while the appeal is considered.
