

New York Basic Health Program Blueprint
Revisions and Technical Changes

Revision: NY-15-0001

Effective date: January 1, 2016

Summary: This revision updates the list of issuers that will be offering BHP plans in 2016 and exempts three counties from the requirement that two health plan issuers be offered in every county.

Technical changes: Technical changes to Blueprint NY-15-0001

Effective date: January 1, 2016

Summary: The technical changes clarify that the state did not receive any public or Tribal comments on Blueprint revision number NY-15-0001.

Revision: NY-16-0001

Effective date: December 31, 2016

Summary: This revision updates the transition plan.

Revision: NY-16-0002

Effective dates: January 1, 2017

Summary: This revision updates the list of issuers that will be offering BHP plans in 2017 and makes other technical changes applicable to plan year 2017.
