<sup>1</sup> A primary activity refers to an individual's main activity. Other activities done simultaneously are not included.

<sup>2</sup> Estimates for part-time workers are not shown because it is uncommon for fathers of household children to work part time.

<sup>3</sup> Estimates include a small amount of work time done by persons who do not meet the ATUS definition of employed.

<sup>4</sup> Estimate is suppressed because it does not meet the American Time Use Survey standard for quality and reliability.

~0 Estimate is approximately zero.

NOTE: Data refer to persons 15 years and over. For technical information about the American Time Use Survey, see the ATUS User's Guide: [www.bls.gov/tus/atususersguide.pdf](http://www.bls.gov/tus/atususersguide.pdf).
