A tribal organization that operates a health program under a contract or compact to carry out programs, services, functions, and activities (or portions thereof) of the IHS pursuant to the ISDEAA, 25 U.S.C. §450 et seq.

A tribe or tribal organization that operates a health program with funding provided in whole or part pursuant to 25 U.S.C. § 47 (commonly known as the Buy Indian Act).

An urban Indian organization that operates a health program with funds in whole or part provided by IHS under a grant or contract awarded pursuant to Title V of the IHCA.

4. Cost-Sharing Exemption for Indians; No Reduction in Payments.

The Managed Care Plan shall not impose any enrollment fee, premium, or similar charge, and no deduction, copayment, cost sharing, or similar charge shall be imposed against an Indian who is furnished an item or service directly by the Indian Health Service, an Indian Tribe, Tribal Organization or Urban Indian Organization or through referral under contract health services. Payments due to the Indian Health Service, an Indian Tribe, Tribal Organization, or Urban Indian Organization, or a health care IHCP through referral under contract health services for the furnishing of an item or service to an Indian who is eligible for assistance under the Medicaid program may not be reduced by the amount of any enrollment fee, premium, or similar charge,

and no deduction, copayment, cost sharing, or similar charge. Section 1916(j) of the Social Security Act, (42 U.S.C. §1396o-(j)), 42 C.F.R. 447.56 and §457.535.

5. Enrollee Option to Select the IHCP as Primary Health Care IHCP.

The Managed Care Plan shall allow any Indian otherwise eligible to receive services from an IHCP to choose the IHCP as the Indian's primary health care provider if the IHCP has the capacity to provide primary care services to such Indian, and any referral from such IHCP to a network provider shall be deemed to satisfy any coordination of care or referral requirement of the Managed Care Plan. Section 1932(h)(1) of the Social Security Act, (42 U.S.C. § 1396u-2(h)), 42 CFR 438.14(b)(3), and 457.1209.

6. Agreement to Pay IHCP.

The Managed Care Plan shall pay the IHCP for covered Medicaid managed care services in accordance with the requirements set out in section 1932(h) of the Social Security Act, (42 USC 1396u-2(h)), 42 CFR 438.14 and 457.1209.

7. Persons Eligible for Items and Services from IHCP.

(a) Nothing in this agreement shall be construed to in any way change, reduce, expand, or alter the eligibility requirements for services through the IHCP's programs, as determined by federal law including the IHCA, 25 U.S.C. § 1601, et seq. and/or 42 C.F.R. Part 136.

(b) No term or condition of the Managed Care Plan's network provider agreement or any addendum thereto shall be construed to require the IHCP to serve individuals who are ineligible for services from the IHCP. The Managed Care Plan acknowledges that pursuant to 45 C.F.R. 80.3(d), an individual shall not be deemed subjected to discrimination by reason of his/her exclusion from benefits limited by federal law to individuals eligible for services from the IHCP. IHCP acknowledges that the nondiscrimination provisions of federal law may apply.

8. Applicability of Federal Laws not Generally Applicable to other Providers.

Certain federal laws and regulations apply to IHCPs, but not other providers. IHCPs cannot be required to violate those laws and regulations as a result of serving MCO enrollees. Applicable provisions may include, but are not limited to, those laws cited in Appendix A.

9. Non-Taxable Entity.

To the extent the IHCP is a non-taxable entity, the IHCP shall not be required by a Managed Care Plan to collect or remit any federal, state, or local tax.

10. Insurance and Indemnification.

(a) Indian Health Service. The Indian Health Service (IHS) shall not be required to obtain or maintain insurance (including professional liability insurance), provide indemnification, or guarantee that the managed care plan will be held harmless from liability. This is because the IHS is covered by the Federal Tort Claims Act (FTCA), which means that the United States consents to be sued in place of federal employees for any damages to property or for personal injury or death caused by the negligence or wrongful act or omission of federal employees acting within the scope of their employment. Nothing in the managed care plan network provider agreement (including any addendum) shall be interpreted to authorize or obligate any IHS employee to perform any act outside the scope of his/her employment.

(b) Indian Tribes and Tribal Organizations. A provider which is an Indian tribe or a tribal organization operating under a contract or compact to carry out programs, services, functions, and activities (or portions thereof) of the IHS pursuant to the ISDEAA, 25 U.S.C. § 450, or employee of a tribe or tribal organization (including contractors) shall not be required to obtain or maintain insurance (including professional liability insurance), provide indemnification, or guarantee that the managed Care Plan will be held harmless from liability. This is because Indian tribes and tribal organizations operating under a contract or compact to carry out programs, services, functions, and activities, (or programs thereof) of the IHS pursuant to the ISDEAA, 25 U.S.C. § 450, are covered by the FTCA, which means the United States consents to be sued in place of employees of a tribe or tribal organization (including contractors) for any damages to property or for personal injury or death caused by the negligence or wrongful act or omission of employees acting within the scope of their employment. Nothing in the Managed Care Plan network provider agreement (including any addendum) shall be interpreted to authorize or obligate such provider, any employee of such provider, or any personal services contractor to perform any act outside the scope of his/her employment.

(c) Urban Indian Organizations. A provider which is an urban Indian organization shall not be required to obtain or maintain insurance (including professional liability insurance), provide indemnification, or guarantee that the managed care plan will be held harmless from liability to the extent the provider attests that it is covered by the FTCA. Nothing in the Managed Care Plan network provider agreement or any addendum thereto shall be interpreted to authorize or obligate such provider or any employee of such provider to perform any act outside the scope of his/her employment.

11. Licensure and Accreditation.

Pursuant to 25 USC 1621t and 1647a, the managed care organization shall not apply any requirement that any entity operated by the IHS, an Indian tribe, tribal organization or urban Indian organization be licensed or recognized under the State or local law where the entity is located to furnish health care services, if the entity attests that it meets all the applicable standards for such licensure or recognition. In addition, the managed care organization shall not require the licensure of a health professional employed by such an entity under the State or local law where the entity is located, if the professional is licensed in another State.

12. Dispute Resolution.

In the event of any dispute arising under the Managed Care Plan's network provider agreement or any addendum thereto, the parties agree to meet and confer in good faith to resolve any such disputes. Notwithstanding any provision in the Managed Care Plan's network agreement, the IHCP shall not be required to submit any disputes between the parties to binding arbitration.

13. Governing Law.

The Managed Care Plan's network IHCP agreement and all addenda thereto shall be governed and construed in accordance with federal law of the United States. In the event of a conflict between such agreement and all addenda thereto and federal law, federal law shall prevail. Nothing in the Managed Care Plan's network IHCP agreement or any addendum thereto shall

subject an Indian tribe, tribal organization, or urban Indian organization to state law to any greater extent than state law is already applicable.

14. Medical Quality Assurance Requirements.

To the extent the Managed Care Plan imposes any medical quality assurance requirements on its network IHCPs, any such requirements applicable to the IHCP shall be subject to Section 805 of the IHCA (25 U.S.C. § 1675).

15. Claims Format.

The Managed Care Plan shall process claims from the IHCP in accordance with Section 206(h) of the IHCA (25 U.S.C. § 1621e(h)), which does not permit an issuer to deny a claim submitted by a IHCP based on the format in which submitted if the format used complies with that required for submission of claims under Title XVIII of the Social Security Act or recognized under Section 1175 of such Act.

16. Payment of Claims.

The Managed Care Plan shall pay claims from the IHCP in accordance section 1932(h)(2) of the Act, (42 U.S.C. §1396u-2(h)), 42 C.F.R. 438.14(c)(2), and 457.1209, and shall pay at either the rate provided under the State plan in a Fee For Service payment methodology, or the applicable encounter rate published annually in the Federal Register by the Indian Health Service, whichever is higher.

17. Hours and Days of Service.

The hours and days of service of the IHCP shall be established by the IHCP. The IHCP agrees that it will consider input from the Managed Care Plan as to its hours and days of service. At the request of the Managed Care Plan, such IHCP shall provide written notification of its hours and days of service.

18. Coordination of Care/Referral Requirements.

The Provider may make referrals to in-network providers and such referrals shall be deemed to meet any coordination of care and referral obligations of the Managed Care Plan.

19. Sovereign Immunity.

Nothing in the Managed Care Plan's network IHCP agreement or in any addendum thereto shall constitute a waiver of federal or tribal sovereign immunity.

20. Endorsement.

IHS or IHCP names and positions may not be used to suggest official endorsement or preferential treatment of the managed care plan.
