

Dear School Certifying Official,

We recently contacted you to let you know we informed our Post-9/11 GI Bill students about the changes to the Monthly Housing Allowance in the Harry W. Colmery Veterans Educational Assistance Act of 2017 (Forever GI Bill). We have an update to share on our implementation progress.

Our payment systems are now updated with the correct tuition and fee caps for terms beginning on or after August 1, 2018. The caps are:

- Private or Foreign Schools - \$23,671.94
- NCD at Non-IHL - \$23,671.94
- Flight - \$13,526.81
- Correspondence - \$11,497.78

These rates are also reflected on our GI Bill® [website](#).

As stated in our last correspondence, VA will make the adjustments needed to ensure your school is paid correctly. We will continue to keep you apprised of our progress and thank you for your patience as we make the changes needed to our systems.

If you have questions, please contact your [Education Liaison Representative](#).

As always, thank you for the work you do on behalf of our nation's Veterans.

Respectfully,

A handwritten signature in black ink, appearing to read "Robert M. Worley II".
