

# U.S. Customs and Border Protection

19 CFR PART 122

CBP DEC. 14-10

**TECHNICAL AMENDMENT TO LIST OF USER FEE AIRPORTS: ADDITION OF JOHN WAYNE AIRPORT IN SANTA ANA, CALIFORNIA AND RENAMING OF WILLIAMS GATEWAY AIRPORT IN MESA, ARIZONA TO PHOENIX-MESA GATEWAY AIRPORT**

**AGENCY:** U.S. Customs and Border Protection, Department of Homeland Security.

**ACTION:** Final rule; technical amendment.

**SUMMARY:** This document amends the U.S. Customs and Border Protection (CBP) regulations by revising the list of user fee airports to reflect the recent user fee airport designation for the John Wayne Airport in Santa Ana, California and the renaming of the Williams Gateway Airport in Mesa, Arizona to the Phoenix-Mesa Gateway Airport. User fee airports are those airports which, while not qualifying for designation as international or landing rights airports, have been approved by the Commissioner of CBP to receive, for a fee, the services of CBP officers for the processing of aircraft entering the United States, and the passengers and cargo of those aircraft.

**EFFECTIVE DATE:** September 26, 2014.

**FOR FURTHER INFORMATION CONTACT:** Roger Kaplan, Office of Field Operations, *Roger.Kaplan@dhs.gov* or 202-325-4543.

**SUPPLEMENTARY INFORMATION:**

**I. Background**

Title 19, part 122, Code of Federal Regulations (19 CFR part 122), sets forth regulations relating to the entry and clearance of aircraft in international commerce and the transportation of persons and cargo by aircraft in international commerce.

Generally, a civil aircraft arriving from a place outside of the United States is required to land at an airport designated as an international

airport. Alternatively, the pilot of a civil aircraft may request permission to land at a specific airport, and, if landing rights are granted by CBP, the civil aircraft may land at that landing rights airport.

Section 236 of the Trade and Tariff Act of 1984 (Pub. L. 98-573), codified at 19 U.S.C. 58b, created an option for civil aircraft desiring to land at an airport other than an international airport or a landing rights airport. A civil aircraft arriving from a place outside of the United States may ask for permission to land at an airport designated by the Secretary of Homeland Security as a user fee airport.

Pursuant to 19 U.S.C. 58b, an airport may be designated as a user fee airport if the Commissioner of CBP, as delegated by the Secretary of Homeland Security, determines that the volume of business at the airport is insufficient to justify customs services at the airport and the governor of the state in which the airport is located approves the designation.

As the volume of business anticipated at this type of airport is insufficient to justify its designation as an international or landing rights airport, the availability of customs services is not paid for out of appropriations from the general treasury of the United States. Instead, customs services are provided on a fully reimbursable basis to be paid for by the user fee airport on behalf of the recipients of the services. Generally, the type of airport that would seek designation as a user fee airport would be one at which a company, such as an air courier service, has a specialized interest in regularly landing.

The Commissioner of CBP designates airports as user fee airports pursuant to 19 U.S.C. 58b. If the Commissioner decides that the conditions for designation as a user fee airport are satisfied, a Memorandum of Agreement (MOA) is executed between the Commissioner of CBP and the local responsible official signing on behalf of the state, city, or municipality in which the airport is located. In this manner, user fee airports are designated on a case-by-case basis.

The fees which are to be charged at user fee airports shall be paid by each person using the customs services at the airport and shall be in the amount equal to the expenses incurred by the Commissioner of CBP in providing customs services which are rendered to such person at such airport, including the salary and expenses of those employed by the Commissioner of CBP to provide the customs services. To implement this provision, generally, the airport seeking the designation as a user fee airport or that airport's authority agrees to pay a flat fee for which the users of the airport are to reimburse the airport/airport authority. The airport/ airport authority agrees to set and periodically review the charges to ensure that they are in accord with the airport's expenses.

The regulation pertaining to user fee airports is 19 CFR 122.15. It addresses the procedures for obtaining permission to land at a user fee airport, the grounds for withdrawal of a user fee designation and includes the list of user fee airports designated by the Commissioner of CBP in accordance with 19 U.S.C. 58b.

Periodically, CBP updates the list of user fee airports at 19 CFR 122.15(b) to reflect those that have been recently designated by the Commissioner and other changes, such as a name change for a listed user fee airport. On April 15, 2012, the Commissioner of CBP signed a MOA approving the designation of user fee status for the John Wayne Airport. This document updates the list of user fee airports by adding John Wayne Airport in Santa Ana, California to the list.

On September 17, 2007, the Williams Gateway Airport Authority approved the renaming of the Williams Gateway Airport in Mesa, Arizona to the Phoenix-Mesa Gateway Airport. This name change went into effect on October 15, 2007. This document updates the list of user fee airports to reflect the renaming of the Williams Gateway Airport to the Phoenix-Mesa Gateway Airport.

## **II. Statutory and Regulatory Requirements**

### *A. Inapplicability of Public Notice and Delayed Effective Date Requirements*

Under the Administrative Procedure Act (5 U.S.C. 553(b)), an agency may waive the normal notice and comment requirements if it finds, for good cause, that they are impracticable, unnecessary, or contrary to the public interest. This final rule updates the list of user fee airports to add an airport that has already been designated by the Commissioner of CBP in accordance with 19 U.S.C. 58b as a user fee airport and to reflect a name change for one of the listed airports. These amendments are conforming changes to update the list of user fee airports. Therefore, notice and comment for this rule is unnecessary because the rule has no substantive impact, is technical in nature, and it relates only to management, organization, procedure, and practice. For the same reasons, pursuant to 5 U.S.C. 553(d)(3), a delayed effective date is not required.

### *B. The Regulatory Flexibility Act and Executive Order 12866*

Because no notice of proposed rulemaking is required, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) do not apply. This amendment does not meet the criteria for a “significant regulatory action” as specified in Executive Order 12866, as supplemented by Executive Order 13563.

### *C. Unfunded Mandates Reform Act of 1995*

This rule will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year, and it will not significantly or uniquely affect small governments. Therefore, no actions are necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

### *D. Executive Order 13132*

The rule will not have substantial direct effects on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with section 6 of Executive Order 13132, this rule does not have sufficient federalism implications to warrant the preparation of a federalism summary impact statement.

### *E. Signing Authority*

This document is limited to technical amendments of CBP regulations. Accordingly, it is being signed under the authority of 19 CFR 0.1(b).

## **List of Subjects in 19 CFR Part 122**

Air carriers, Aircraft, Airports, Customs duties and inspection, Freight.

## **Amendments to Regulations**

For the reasons set forth above, part 122, Code of Federal Regulations (19 CFR part 122) is amended as set forth below:

## **PART 122—AIR COMMERCE REGULATIONS**

■ 1. The authority citation for Part 122 continues to read as follows:  
**Authority:** 5 U.S.C. 301; 19 U.S.C. 58b, 66, 1431, 1433, 1436, 1448, 1459, 1590, 1594, 1623, 1624, 1644, 1644a, 2071 note.

### **§ 122.15 [Amended]**

■ 2. The listing of user fee airports in § 122.15(b) is amended as follows:

■ a. Add, in alphabetical order, in the “Location” column “Santa Ana, California” and add on the same line, in the “Name” column “John Wayne Airport.”; and

■ b. In the “Name” column adjacent to the listing in the “Location” column of “Mesa, Arizona”, remove “Williams Gateway Airport.” and add in its place “Phoenix-Mesa Gateway Airport.”

Dated: September 22, 2014.

R. GIL KERLIKOWSKIE,  
*Commissioner,*  
*U.S. Customs and Border Protection.*

## APPROVAL OF INTERTEK USA, INC., AS A COMMERCIAL GAUGER

**AGENCY:** U.S. Customs and Border Protection, Department of Homeland Security.

**ACTION:** Notice of accreditation and approval of Intertek USA, Inc., as a commercial gauger.

**SUMMARY:** Notice is hereby given, pursuant to CBP regulations, that Intertek USA, Inc., has been approved to gauge petroleum and petroleum products for customs purposes for the next three years as of May 28, 2014.

**EFFECTIVE DATE:** The accreditation and approval of Intertek USA, Inc., as commercial gauger became effective on May 28, 2014. The next triennial inspection date will be scheduled for May 2017.

**FOR FURTHER INFORMATION CONTACT:** Approved Gauger and Accredited Laboratories Manager, Laboratories and Scientific Services Directorate, U.S. Customs and Border Protection, 1300 Pennsylvania Avenue NW., Suite 1500N, Washington, DC 20229, tel. 202-344-1060.

### SUPPLEMENTARY INFORMATION:

Notice is hereby given pursuant to 19 CFR 151.13, that Intertek USA, Inc., 3741 Red Bluff Road, Suite 105, Pasadena, TX 77503, has been approved to gauge petroleum and petroleum products for customs purposes, in accordance with the provisions of 19 CFR 151.13. Intertek USA, Inc., is approved for the following gauging procedures for petroleum and certain petroleum products set forth by the American Petroleum Institute (API):

API Chapters	Title
3 .....	Tank gauging.
7 .....	Temperature Determination.
8 .....	Sampling.
12 .....	Calculations.
17 .....	Maritime Measurements.

Anyone wishing to employ this entity to conduct gauger services should request and receive written assurances from the entity that it is accredited or approved by the U.S. Customs and Border Protection to conduct the specific gauger service requested. Alternatively, inquiries regarding the specific gauger service this entity is accredited or approved to perform may be directed to the U.S. Customs and Border Protection by calling (202) 344-1060. The inquiry may also be sent to *cbp.labhq@dhs.gov*. Please reference the Web site listed below for a complete listing of CBP approved gaugers and accredited laboratories.
