IMPORTANT NOTES:

Application closing dates (when applicable) are for both spring and fall planting periods.

Nine Application closing dates exist for 2016: 05/01/2015; 09/01/2015; 09/30/2015; 11/15/2015; 11/20/2015; 1/1/2016; 1/31/2016; 2/28/2016 or 3/15/2016

Dates for each crop apply to all uses of that crop. For example, the deadline for wheat for grazing is 09/30/2015 (wheat date) NOT the grazing date, 11/15/2015.

2016 NC NAP APPLICATION CLOSING DATES

The "grazing" applies to grasses (code 0102) and mixed forages (code 0296)
