IMPORTANT NOTES:

Application closing dates (when applicable) are for both spring and fall planting periods.

Nine Application closing dates exist for 2017: 05/01/2016; 09/01/2016; 09/30/2016; 11/15/2016; 11/20/2016; 01/1/2017; 1/31/2017; 2/28/2017 or 3/15/2017

Dates for each crop apply to all uses of that crop. For example, the deadline for wheat for grazing is 09/30/2015 (wheat date) NOT the grazing date, 11/15/2015.

2017 NC NAP APPLICATION CLOSING DATES

The "grazing" applies to grasses (code 0102) and mixed forages (code 0296)
