

ACRE Decision Aid
 Required Information Checklist

You will need the following input information for each farm you plan to analyze:

Farm Information

Farm name of your choosing	
FSA farm number (or other farm name)	
State	
County	
Total Cropland Acres	

Program Information (You can find this information on FSA form [CCC-509](#) or [FSA-156EZ](#).)

Crop	Base Acres	DP Yield	CCP Yield

Expected Planted Acres

List of crops (including acres) that you expect to plant for harvest from 2009- 2012 (do not include silage or graze-out acres)

Crop	2009	2010	2011	2012

Historical Yields

Historical planted acre yields from 1999-2008 for the crops you expect to plant from 2009-2012

Crop	1999	2000	2001	2002	2003	2004	2005	2006	2007	2008

Expected Average Yields and Insurance Premiums

Enter the average yield you expect for each crop on this farm from 2009-2012 and the average annual RMA subsidized crop insurance premium per acre for each crop.

Crop	Average Crop Yield (2009-2012)	Per Acre Insurance Premium

Expected Average Prices

For 2008-2012 you must enter the national average prices you expect to see for each crop.¹

Crop	2008	2009	2010	2011	2012

¹ You will be given the opportunity to enter default national average prices if you so choose (these are provided in the ACRE Decision Aid). For 2008, you may enter USDA’s latest World Agricultural Supply and Demand Estimates (WASDE). For 2009-2012, you may enter projections of national average prices from by the Food and Agricultural Policy Research Institute (FAPRI).
