

**Student and Exchange Visitor Program
U.S. Immigration and Customs Enforcement**

FOIA 12-12727

Submitted to ICE FOIA May 14, 2012

Summary

Number and county of origin of F-1 visa high school students entering the United States for the years 2007, 2008, 2009, 2010, and 2011. The data is categorized by year, state the students were placed in, as well as whether the school was public or private.

**Please note: If a student participated across calendar years, his/her record is counted in each year.*

Year	Country of Citizenship	School Location State	Public School
