WARNING: ZIKA HAS BEEN REPORTED IN YOUR AREA.

Pregnant? Zika causes birth defects.

Prevent mosquito bites

Use insect repellent

Wear long-sleeved shirts and long pants

Keep mosquitoes outside

Control mosquitoes around your home.
Once a week, empty and scrub, turn over, cover, or throw out any items that hold water.
Use screens on windows and doors.

Control and Prevention

WARNING: ZIKA HAS BEEN REPORTED IN YOUR AREA.

Is it Zika?

See your doctor if you have **fever** with:

Rash

Joint pain

Red eyes

Protect your family

Zika can be passed through sex from a person who has Zika to his or her sex partners. Use condoms and other barriers to protect against infection every time you have sex.
