

**CE Instructions for
WB2900: General Best Practice Guidelines for Immunization
(Credit expires 4/20/2019)**

To receive credit

In order to receive continuing education (CE) for WB2900 *General Best Practice Guidelines for Immunization*, please visit TCEO at www.cdc.gov/getCE and follow these 9 Simple Steps by 4/20/2019.

If you have any questions or problems contact CDC/ATSDR Training and Continuing Education Online at 1-800-41TRAIN or email ce@cdc.gov. You may also contact the CE Coordinator at NCIRD, Melissa Barnett at MBarnett2@cdc.gov

PROGRAM DESCRIPTION: The General Best Practice Guidelines for Immunization publication updates and replaces the General Recommendations on Immunization: Recommendations of the Advisory Committee on Immunization Practices (ACIP) which was last published in 2011. The field of immunization is marked by constant change, including licensing of new vaccines, new vaccination recommendations, and new findings about how vaccines work and their adverse events. General Best Practice Guidelines for Immunization provides clinicians and other health care providers with ACIP's best practices guidance on immunization.

OBJECTIVES: At the conclusion of the session, the participant will be able to:

Identify valid contraindications for commonly used vaccines.

Describe the minimum spacing between doses for vaccines routinely used in the United States.

Describe recommended practices for administration of vaccines.

Identify evidence-based interventions shown to improve vaccination rates among children.

Implement disease detection and prevention health care services (e.g., smoking cessation, weight reduction, diabetes screening, blood pressure screening, immunization services) to prevent health problems and maintain health.

FACULTY/CREDENTIALS:

Jeffrey S. Duchin, MD, Health Officer and Chief, Communicable Disease Epidemiology & Immunization Section; Professor in Medicine, Adjunct Professor, School of Public Health, University of Washington, Seattle

Andrew Kroger, MD, MPH, Medical Officer, CDC/NCIRD

Marietta Vazquez, MD, Associate Professor of Pediatrics, Yale University School of Medicine
Dept Pediatrics, Division Infectious Diseases

ORIGINATION DATE: 4/20/2017

EXPIRATION DATE: 4/20/2019

URL: <https://www.cdc.gov/vaccines/hcp/acip-recs/general-recs/index.html>; **HARDWARE/SOFTWARE:** Computer Hardware; Internet connection; Browser; **MATERIALS:** Internet connection, computer, and telephone line

TARGET AUDIENCE: Administrators, CHES certified health educators, Physicians, Epidemiologists, LPNs, LVNs, Medical assistants, medical students, NPs, nurse technicians, other health educators, Pharmacists, PAs, program managers RNs

PREREQUISITES: Participants should have a basic educational background in science including general knowledge in the subject areas of biology, immunization and vaccine-preventable diseases.

FORMAT: This course is Enduring material.

ACCREDITATION STATEMENTS:

CME: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

The Centers for Disease Control and Prevention designates this Enduring material for a maximum of 3.25 AMA PRA Category 1 Credits™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation. This activity provides 3.1 contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer 0.3 CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES) and/or Master Certified Health Education Specialists (MCHES) to receive up to 3 total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are 0. CDC provider number 98614.

CPE: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is a designated event for pharmacists to receive 3 Contact Hours in pharmacy education. The Universal Activity Number is 0387-0000-17-134-H04-P .

Category: This activity has been designated as knowledge-based.

Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer 3.25 CPH recertification credits for this program.

CDC is an approved provider of CPH Recertification Credits by the National Board of Public Health Examiners. Effective October 1, 2013, the National Board of Public Health Examiners (NBPHE) accepts continuing education units (CEU) for CPH recertification credits from CDC. Please select CEU as your choice for continuing education when registering for a course on TCEOnline. Learners seeking CPH should use the guidelines provided by the NBPHE for calculating recertification credits. For assistance please contact NBPHE at <http://www.NBPHE.org>.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, content experts, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use with the exception of the content experts' discussion of DTaP, DTaP-HepB-IPV, DTaP-IPV/Hib, HepA, HepB, Hib, HPV, HZV, IIV, IPV, MMR, PCV13, PPSV23, Tdap, Var, and YF. The content experts will discuss the use of DTaP, DTaP-HepB-IPV, DTaP-IPV/Hib, HepA, HepB, Hib, HPV, HZV, IIV, IPV, MMR, PCV13, PPSV23, Tdap, Var, and YF vaccines in a manner recommended by the Advisory Committee on Immunization Practices, but not approved by the Food and Drug Administration.

CDC did not accept commercial support for this continuing education activity.

FEES: No fees are charged for CDC's CE activities.
