## No Veteran should ever be homeless.

Veterans can face unique physical, emotional, and financial challenges related to their service, and some of these challenges can lead to difficulty finding or keeping a home. Having a safe, stable place to call home can give Veterans a foundation to get back on their feet. If you or someone you served with is homeless or at imminent risk of becoming homeless, or is in crisis, VA is here to help.

## VA has the services to help our Veterans.

VA offers comprehensive, individualized services to help eligible Veterans stay healthy, find a job, and secure or maintain housing. With one call, specialists can connect you or a Veteran you know with the services and support all Veterans have earned, no matter when or how they served.

## Make the Call.

If you or a Veteran you know is homeless or at imminent risk of becoming homeless, trained, supportive professionals are available 24 hours a day, seven days a week, to connect you with the services you have earned.
