Subject: RIN 1210-AB79

Please do not delay RIN 1210-AB79. It seems obvious to me that the general population, saving diligently for their retirement, should be able to trust that their advisors are acting in the clients best interest.

After 6 years researching and drafting this rule originally, the DOL should accept these findings & avoid further delay in protecting consumers.

Sincerely,
Deborah Hess
Lawrenceburg, KY 40342
