Document: EBSA-2010-0050-DRAFT-8875

Comment on FR Doc # 2017-04096

Submitter Information

Name: Richard Morford

General Comment

The implementation of the Fiduciary Rule should be put into effect asap. I have been taken advantage of a broker changing investments saying this is a good idea. Although I find out it only gave him a higher advisory fee and no benefit to me.

Many like myself tend to trust the broker until it's too late and a lot of money has been put in his pocket.

Your promptness to this matter is encouraged.

Thank you!
