Comment on FR Doc # 2017-04096

Submitter Information

Name: Gerald Janci

General Comment

Any delay in the rule would be a real negative for all Americans seeking financial advice.

Should not this advice be able to be trusted that it is in the best interest of those looking for this advice.

Please do not delay this rule.

The interests of the public must be protected.

Again, there is absolutely no reason to delay a rule that protects the american public.
