Subject: RIN 1210-AB79

If the DOL ruling goes through I feel many people with lower dollar amount 401Ks will not be getting the help they need.

We are able to help so many that financial advisors don't work with. The advisors normally work with anyone with over \$300,000 to invest.

Also, we are only using fixed products which leave no risk for the clients we see.

Thank you for your consideration on this matter.
