Document: EBSA-2010-0050-DRAFT-13768

Comment on FR Doc # 2017-04096

Submitter Information

Name: John Daken

General Comment

As a physician, I am morally obligated to "do no harm" at a minimum for my patients. If I do so, I am (rightly) liable for damages. It is offensive to me and patently ludicrous that financial professionals should have no obligation to act in their clients' best interests. It is absolutely essential that they be held to a fiduciary standard!!!
