Comment on FR Doc # 2017-04096

Submitter Information

Name: Loretta Benedetto

General Comment

Why is the administration trying to destroy safeguards that protect people from being taken advantage of when we are most vulnerable? If manufacturing is responsible for making things that don't harm the public, why shouldn't investment firms have the same duty? It's wrong to pass this bill. Only the interests of the wealthy are being protected. This is an abomination.
