General Comment

I want you to delay the implementation of this DOL rule. I have been in the investment business since 1982, I have been working in the best interest of the client since I received my license (shouldn't all Registered Reps and Investment Advisors?). I am licensed in 4 states (Illinois, Florida, North Carolina and Wisconsin) and feel this rule needs to be delayed so it can be determined if this new law will in fact help clients vs. hurt them (in my opinion it will hurt them). I am Series 7 licensed. Please delay this law so it can be discussed further.
