Dear Sir or Madam:

I strongly oppose the watering down, cancellation or repeal of the fiduciary responsibility rule put in place under the Obama administration to protect investors and retirees from scamming and bilking by financial managers and brokers. It took years to guarantee this protection, and it should not be destroyed.

Yours truly,

A handwritten signature in cursive script that reads "Bette Kerr". The signature is written in dark ink and is positioned above the typed name.

Bette Kerr, EdD
